Final Stage In Fund Campaign Is Now Reached

Over $3,500 Is Added To Total Today, Bringing Amount To $44,771

WORKERS WILL REPORT MONDAY

Going After $20,000 Yet Needed To Reach Goal In Campaign

With the United Fund Campaign in its final stages, the workers are continuing to turn in splendid reports, today's figure of $3,614, reducing the amount yet needed to $20,000.

Today's report meeting at The Castleton was well attended and the workers have shown no sign of lessening enthusiasm. With no report meeting scheduled for tomorrow, the team solicitors are going out with the determination to cut down the balance of the $20,000 remaining to be raised in a material way, and Monday's report is expected to be one of the best yet received.

With $346 reported today by Mayor Mayne, the contributions of the various city departments reached the 100 per cent mark, with a total of $2,700 reported in all.

Employes of the American Can Company also reached the 100 per cent mark today, $158 being added to their previous total, bringing their contribution over the thousand dollar mark.

Dickey Presides

Attorney Thomas W. Dickey presided as chairman of today's report meeting, and called upon O. P. Brown as the first speaker. Mr. Brown stated that when he first stated out in the campaign, his first reaction was that although this

At Shrine Of Immortal Lincoln President Warns Nation Of Crisis Facing Its Citizens

By GEORGE E. DURNO
International News Service Staff Correspondent

SPRINGFIELD, Ill., Nov. 4.—Here, where stands the shrine of the immortal Lincoln, President Hoover declared this afternoon that his own re-election is as essential to the preservation of the Union as was the Great Emancipator's in 1864.

Then, as now, the President declared, the country was faced with "a great calamity," but it "declined emphatically to turn aside to untried policies and experimental leadership."

With this analogy, Mr. Hoover asserted:

Same Alternatives

"The same alternatives are before the country today that lay before it in that momentous campaign of nearly three-quarters of a century ago. The choice that the American people made in 1864 was made on November 8. The choice they are called to make in 1932 will be made on November 8. My fellow citizens, can we doubt what the choice will be?

"Men and women—and I include women because they bore then as they do now a large part of the burdens of that struggle—the support of that strategy and that leadership which preserved the Union came from the constancy of the Republican party in its refusal to be diverted from the leadership which it had given at that time and the leadership which it has given in the last four years to the solution of a great national crisis.

Turn Of Tide

"The turn in the tide of the Civil War was made at Gettysburg. The turn in the tide in this crisis was made in the last winter, and just as after Gettysburg long months of continual battle were required to bring about the saving of the Union, in the same manner we must continue the fight today to recover our prosperity and to preserve the social and political principles for which Abraham Lincoln stood."

With these solemn words the executive made his strongest bid of the campaign for re-election. He spoke from the same armory where two weeks ago his Democratic opponent, Franklin D. Roosevelt, had addressed a packed hall and he flayed the New York Governor and his policies in no uncertain terms.

The President went back to the dark days of the Civil War when Lincoln was renominated for his text he recalled how the battle of Gettysburg had been won and

Utimatum Is Handed Down In Truck War

Pennsylvania Sends An Ultimatum At New Jersey In Truck Fight

STATE LAW TO BE ENFORCED

Secretary Of Revenue Leon D. Metzger Aroused By Action In New Jersey

(International News Service)

PHILADELPHIA, Nov. 4.—Pennsylvania today flung down an ultimatum in the Keystone State's "truck war" with New Jersey over the withdrawal of reciprocal licensing privileges.

From the Capitol at Harrisburg came a warning by Leon D. Metzger, Secretary of Revenue, that unless New Jersey officials recede from their retaliatory stand on commercial vehicle registration by 8 o'clock tonight, this state will require all commercial vehicles from New Jersey to register in Pennsylvania before using Pennsylvania highways.

Possible Federal action likewise loomed in the dispute. New Jersey trucking interests have notified Harold G. Hoeffman, New Jersey motor vehicle commissioner, that unless the order requiring Pennsylvania trucks to obtain Jersey license tags is rescinded a petition asking for an injunction against the order will be filed in U. S. District Court.

Must Enforce Law

Secretary Metzger said he is unwilling to suspend the Pennsylvania law on pay load interstate trucks until the next session of the legislature.

"I cannot ignore Pennsylvania's act of assembly," he said. "It must be enforced as long as it is on the statute books." Other border states,

Insull Arrested By Greek Police

Samuel Insull, Former Utilities Magnate, Held For U. S. Authorities

EXTRADITION TREATY SIGNED

(International News Service)

ATHENS, Greece, Nov. 4.—Samuel Insull was formally arrested today, less than 24 hours after receipt of word that an extradition treaty between the United States and Greece had been completed.

Insull was arrested by director of police coutsoumaris as he lay abed in his suite at the Hotel Petit Palais, ill from a chill and recurrence of his old diabetic trouble. The arrest was effected at 12:01 p. m. shortly after it was ordered by the prosecutor for the court of appeals.

Insull is wanted in Chicago on charges of embezzlement and larceny in connection with the collapse of his $2,000,000,000 public utilities empire.

He was stricken ill this morning, apparently partly due to worry over the arrest, which he had been expecting since late yesterday. He immediately sent for a physician.

Mr. and Mrs. Griff Thomas of Park avenue were in Ellwood City Thursday where they attended the Christian Endeavor rally held at the Bell Memorial church.

Gov. Roosevelt In Final Effort

Seeking To Close Campaign Successfully In New York City

NEW YORK, Nov. 4.—Governor Franklin D. Roosevelt was swinging down the home stretch of the campaign today with the unqualified endorsement of Owen D. Young, noted industrialist, and confident he has completely riddled President Hoover's repeated warning that Democratic victory next Tuesday would retard business recovery and might plunge the nation further into the depths of depression.

Invading Brooklyn tonight the governor will continue his slashing attack on the president for attempting to "arrogate to himself and his handful of associates in Washington the right to claim an exclusive interpretation of an ownership in the American system of government." He will speak from the same platform with former Governor Al Smith.

Surrenders In St. Louis, Mo., For Linesville Crime

(International News Service)

ST. LOUIS, Nov. 4—Ray Wallace, 39, alias Joe MacDonald, was held for Crawford county, Pa. authorities here today in connection with the murder of his wife, Mrs. Mamie Jack Wallace, in November 1928.

Wallace, almost blind, walked into police headquarters here and gave himself up saying he shot his wife at Linesville, Pa., some years ago as she was coming home from an entertainment with another man following the Wallace's separation.

St. Louis police communicated with Sheriff John L. Connell, of Meadville, Pa., who wired local authorities to hold Wallace for murder. Walace told police that after the shooting of his wife he fled to New York, boarding a steamer for Venezuela. Later coming back to the United States, going to Texas, Chicago and finally coming here.

"I'm almost blind" said Wallace. "And thought it best to give myself up now. I don't regret what I have done. I'm ready to go back and face the music."

CLEVELAND, Nov. 4.—There is comedy in this campaign. Otherwise we would all go "nerts."

Mr. Hoover says in case of Democratic victory "grass will grow in the streets of American cities." But look at the fun it will be to see every traffic cop pushing a lawn mower.

Last night Secretary of the Navy Adams said, "it will bring gloom to a hundred thousand firesides." Yes, but look at the hundred thousand Democratic postmasters whose g l o o m wouldn't be so noticeable.

Tonight somebody else will be funny over the radio. Don't miss 'em.

Just flew the Alleghenies. Fine trip. Plane full of passengers.

Great race for governor in this state. Good Democrat, and the Republican's ace of aces, Dave Ingalls, running against him. He is the "class" of the whole Republican stable.

Well, I must hurry to California to welcome Mr. Hoover. He is coming 3,000 miles to vote for himself.

Yours,

President Goes Through City

Passes Through Here At Early Hour This Morning Enroute To California

President Hoover's special train, bearing him westward on his final tour of the western states prior to the election next Tuesday, went through New Castle over the B. & O. railroad around 4 o'clock this morning.

The president was sleeping as his train sped westward. He was due to arrive in Gary, Ind., at 9 o'clock this morning for his initial appearance before the public today.

His ultimate destination is California, his home state, where he expects to arrive on November 8, and will cast his ballot in Palo Alto, Calif., his home town.

CRUSHED BETWEEN TWO FREIGHT CARS

Oscar G. Solars, aged 44, 127 North Mercer street, who has been employed by the Baltimore and Ohio railroad the past seventeen years as a brakeman, was killed in the Akron, Ohio, yards this morning, when he was crushed between two railroad freight cars.

The victim was aiding in shifting cars on the track, and apparently failed to notice that the two cars were coming together when he stepped between them, witnesses said. Baltimore & Ohio officials, who conducted an investigation, said the death was "unavoidable and accidental."

Mr. Solars was born in West Virginia, September 15, 1888, the son of John and Margaret Solars and had been a resident of New Castle since 1916.

He is survived by his wife, Mrs. Fannie Robison Solars; two sisters, Mrs. Harry Black, Wadsworth, Ohio, and Mrs. Lottie Roelker, Cumberland, Md., and a brother, Ellwood Solars, Cumberland, Md.

Funeral services will be held from the home, 127 North Mercer street, Monday at 2:30 with Dr. W. E. McClure of the First Presbyterian church, officiating.

The body will arrive in the city this evening.

Hoover To Speak Tonight In St. Louis—In Illinois Today

MIGHTY CHEERS GIVEN PRESIDENT

Hoover Is Thrilled At Gigantic Proportions Of Crowds Today

By GEORGE E. DURNO
International News Service Staff Correspondent

GARY, Ind., Nov. 4.—The largest crowd in Lake county history, estimated at 35,000, greeted President Herbert Hoover here today when he arrived for a 15-minute campaign speech.

The President had to walk only 30 or 40 feet from his special train to find himself on the speaker's platform in Gateway Park in front of the city hall.

The crowd jammed the plaza, covered buildings and trees, and was so dense that Gary witnessed its greatest traffic jam after the President left.

Surveying the crowd President Hoover said:

"This is the largest crowd I have spoken to during my campaign."

Joliet, Ill., Nov. 4.—A five minute stop was made at Joliet, Ill., by President Hoover today to greet still another large station crowd. A salute of 21 aerial bombs announced the train's arrival.

An improvised speaking platform was set up overlooking the court house plaza where 15,000 people were massed and Mr. Hoover stepped to the microphone as a mighty cheer went up.

"I have had receptions since entering this state of dimensions unparalleled," he said, "they are a

ROOSEVELT'S STAND IS PERIL TO DISTRICT

Reed And Beck Tell Of Dangers

Tariff Changing By Democrats Holds Danger To Western Penna.

FOREIGN COMPETITORS WOULD GET BENEFIT

(International News Service)

PITTSBURGH, Nov. 4.—Predictions that Gov. Franklin D. Roosevelt, through misuse of the tariff, might bring ruin to industrial enterprises of western Pennsylvania today were before voters who heard addresses by a Pennsylvania senator and congressman during a mass rally here.

After scoring attempts by a Democratic house to pass bills which he said would have retarded progress, Congressman James M. Beck said:

"Mr. Roosevelt has repeatedly said he favored the reduction of the tariff except upon agricultural commodities. This can mean only that at the very time the world is knocking at our door to dump the products of their factories into American markets, he favors lowering the tariff to enable them to so do."

Following Beck to the platform, Senator David A. Reed of Pennsylvania, warned that not a western Pennsylvania businessman "would dare build a mill or venture anything based on future markets" if Roosevelt was elected.

Reed attacked the federal building program sponsored by Speaker John N. Garner and said it would have forced the United States off the gold standard and reduced American wages by half.

AT SHRINE OF LINCOLN PRESIDENT WARNS NATION

(Continued From Page One)

Grant had advanced on Richmond, but still, with the appearance of the dashing Confederate General, Jubal Early, before Washington, an hysterical public seemed fearful that the Capital would fall. A wave of discouragement swept over the country in the summer of 1864 and Mr. Hoover reminded, that on August 23, Lincoln prepared his following "secret memorandum:"

Quotes Lincoln

"'This morning, as for some days past, it seems exceedingly probable that this administration will not be re-elected. Then it will be my duty to so cooperate with the president-elect as to save the Union between the election and the inauguration, as he will have secured his election on such ground that he can not possibly save it afterwards.'"

Fortunately, however, President Hoover said, "events moved rapidly" and Lincoln was re-elected after "the grand strategy of the general advance, for which the foundation had been laid in the previous 12 months, began to bear fruit."

"The transformation from apparent stalemate to overwhelming victory may have seemed amazing to many," Mr. Hoover observed. "But if it seemed amazing, it was only because people did not understand how well the foundation had been laid in the dark days that preceded, and how effectively the strategy had been planned.

Better Understanding

"I believe this brief outline of the progress of events in a crisis that confronted a previous generation may help us to a juster appreciation of what has happened in the years just passed and what is happening today.

"In 1860, as in 1929, the country was unexpectedly faced with a great calamity. Then, as now, the disruptive forces gathered strength and for a time their progress seemed irresistible. Then, as now, the resources of the nation were mobilized and organized in a campaign that finally ended the initial retreat.

"Today our opponents are declaring in their platform, in words strangely reminiscent of those used by their predecessors in Chicago 68 years ago, that the struggle of this administration against the depression has been a failure and that the only hope of improving conditions—I quote from the present Democratic platform—'lies in a drastic change in economic governmental policies.'

Cry for Change

"So again today, as in 1864, in the midst of a great war, they call for a change of leadership and of politics in Washington."

Turning to the specific issues of the current campaign, President Hoover asserted that Governor Roosevelt "has developed one of the greatest mysteries of this whole campaign in his proposal for relief of agriculture." The executive intimated broadly that the time had come for rebuttal in his debate with the governor on this subject, but he found nothing to rebut.

"It seems cruel to me," said Mr. Hoover, "to hold out hope to a suffering people by a vague plan, the most specific parts of which are the ways of escape from putting it into action. The only thing we know of the plan is that he is unwilling during all these many weeks to submit it to debate."

Reiterates Farm Relief Plan

The President reiterated his 12 points for farm relief, as first presented a month ago at Des Moines, and point by point declared that either Roosevelt "has not expressed himself on the subject" or has expressed "vague agreement" with Republican policies.

Outstanding in the Hoover program of relief are: a promise to divert all debt payments made by foreign countries to the promotion of American agriculture; maintenance of protective tariffs on farm products; reorganization of the federal land banks to make refinancing of farm mortgages easier; extention of credit to foreign nations through the Reconstruction Finance Corporation to enable purchase of American produce; short-term credit to the farmer and encouragement of co-operative marketing.

Sometimes, however, a lie is just a refusal to give the truth to one who has no right to it.

THOUSANDS ARE GIVING ACCLAIM ON TRIP TO WEST

(Continued From Page One)

profound indication of where Illinois will be on Nov. 8."

Enroute West

Aboard Presidential Special Enroute West, Nov. 4.—President Hoover made his fifth and final bid for the 43 electoral votes of Illinois and Indiana today still reserving in one barrel of his political shotgun a "surprise" shot to be fired tonight in St. Louis.

In the President's own words "What I have to say in St. Louis will be worth listening to." While waiting to discharge this promised broadside into Governor Franklin D. Roosevelt and the Democratic party however Mr. Hoover wasted no time today in courting the pivotal votes of the last two states, east of the Mississippi to be crossed on his journey to California and the ballot box.

A crowded day of speech-making—extemporaneous otherwise — was ahead of him and the executive started at his campaigning early, taking advantage of the hour he gained by changing from Eastern to Central time, a five-minute stop was made at Garrett, Ind., at 7:30 a. m., on the rim of the Eastern time belt and the next the campaign special stopped for three minutes at Nappanee, Ind., at 7:25 a. m. C. S. T.

The President's first studied address of the current twenty four hours was at Gary, Ind., at 9:00 a. m., in the course of a ten-minute stop. His big daylight address was to come this afternoon at Springfield State Capitol of Illinois where he will leave the train for an hour and parade through town to the Armory.

Final selection of Springfield rather than Chicago for the site of the big Illinois speech gave rise to considerable speculation concerning the strategy. Generally it was thought that the G. O. P., command had hope of carrying the state but not Cook county. Also it was rumored the President had been cautioned against possible embarrassment that might accrue if he spoke in Chicago because of certain politicians with whom he would be thrown in contact.

At St. Louis Tonight

In any event his special will carefully skirt the Windy City this morning for the third time that campaign trips have brought the President this way, stopping only in the yards for operation inspection.

From St. Louis tonight Mr. Hoover will head north to St. Paul spending Saturday in making a series of rear platform appearances in Wisconsin with one long address scheduled at Madison at noon.

Meanwhile, however, another potentially troublesome situation had been ironed out regarding the route the President's train will take after he leaves St. Paul Saturday night for California. A long series of conferences between the Hoover secretaries and railroad officials last night brought a definite decision the campaign special would pass through Omaha, Neb., early Sunday morning and then head west through Cheyenne, Wyo., Denver, Colo., Ogden and Salt Lake City, Utah, and into California by way of Sacramento.

Palo Alto will be reached about noon election day.

Before the party left Washington a coast-to-coast schedule had been adopted, but internal party differences in various sections of the far west caused a temporary disbandonment of it. The White House aides and railroad men came out of a huddle at midnight with everything straightened out again.

hugh Democratic rally in Madison Square Garden and again Roosevelt and Smith will be on the firing line together.

Ine one of the most vigorous speeches of his campaign, before 5,000 "Roosevelt Republicans" in the Metropolitan opera house, the Democratic nominee last night charged that the present Republican administration at Washington had ruled the country "by guess and by gamble".

"It is this kind of government by guess and by gamble that the people of this country have resolved to put out of power," Governor Roosevelt said. "I rejoice that Republicans everywhere have decided to lay aside party, to put their shoulders to the wheel to achieve recovery, not by magic or gambling, but by hard common sense and above all by serious and resolute action."

Ten Million Reasons.

He said there were ten million reasons—ten million unemployed—why the present Republican administration should be turned out of office.

Replying to President Hoover's charge that the election of the Democratic national ticket will cause the grass to grow in the streets of a hundred cities, Governor Roosevelt said:

"Well, the grass has little chance to grow in the streets of our cities now. It would be trampled into the ground by the men who wander these streets in search of employment."

Governor Roosevelt charged that the president doesn't know what the American system of government "really means". He characterized the efforts of the president to claim ownership of this system for the Republican party as "the most un-American episode of this entire campaign."

Speaking from the same platform with Governor Roosevelt, Owen D. Young condemned President Hoover and the Republican party for the "campaign of threats" and declared that the election of the Democratic national ticket will put the nation back on the road to prosperity.

he added, are cooperating with Pennsylvania.

The new act, which became effective Oct. 15 last, provides that truckers from other states hauling pay loads within Pennsylvania must take out Pennsylvania license tags.

Plan Court Action

Trenton, N. J., Nov. 4. — Court action was scheduled today in the Pennsylvania-New Jersey motor truck war which involved a number of neighboring states and caused a blockade of food and other cargoes.

A group of truck owners in Philadelphia, Pa., notified New Jersey Commisisoner of Licenses Harold G. Hoffman they would ask for a restraining order against him today in the United States District Court at Camden, N. J.

Agreements Ended

Maryland, Delaware, New York, Ohio and West Virginia joined New Jersey in ending reciprocal trucking agreements with Pennsylvania when the Keystone State made effective a requirement that all "foreign" trucks transporting goods for hire on more than 15 days during any one year in that state must have local registration plates.

Hoffman planned to delay the court action if possible today by asking the court to postpone the hearing until he has conferred later today with Leon D. Metzger, State Secretary of Revenue of Pennsylvania. The meeting between the two officials is to be held at the Keystone Automobile Club in Philadelphia and a compromise agreement is possible.

Since the war between the two states began on Tuesday, New Jersey has issued 1,308 licenses and collected $28,573 in fees. The amount is expected to be increased to $40,000 before tonight.

Deaths of the Day

Mrs. Annie Emery McFarland.

One of Lawrence County's pioneers was removed by death Thursday afternoon, November 4 when Mrs. Annie Emery McFarland, 85, died in her home of her son George McFarland of 604 East Long avenue. Infirmities of old age were the cause of death.

Mrs. McFarland was born in Harlansburg, January 15, 1849, when this portion of Lawrence County was still a part of Mercer County. She was the daughter of Mr. and Mrs. H. H. Emery, who were well known residents among the early pioneers, and was educated in the McFarland School and the high school at Harlansburg.

In 1896, she was married to Lewis J. McFarland and to this union were born seven children, five of them living. They are, John McFarland of Warren, O., George McFarland, of New Castle, Mrs. Mary Collins of New Castle, Emery McFarland of New Castle and Mrs. Della M. Anderson of Weirton, W. Va., who survive her. Her husband preceded her in death some thirty years ago. Two sisters survive her, Mrs. T. H. Waddington of New Brighton, and Mrs. A. D. Kerr of New Castle. In addition there are thirty grandchildren and 29 great grandchildren, all living. Her children were at the bedside when death came Mrs. McFarland was well known to Lawrence County people. Her life was that of a useful, Christian citizen, and the shock of her loss is lessened by the memory of her worth while she was alive. She was a member of the Christian Alliance church and of the Ladies of the G. A. R.

Funeral services will be held Saturday, November 6 at 2:00 in the Christian Alliance Church with interment in the Harlansburg cemetery. A short service will be held in the Harlansburg Baptist church.

Martha Rettig Funeral.

Funeral services for Martha Rettig, auto accident victim, were held Thursday afternoon from the home of her step-father, John Endress, Parkstown Corners, with Rev. Stanley Brown officiating.

Mrs. Andrew Dietterle, Jr., and Miss Dietterle sang an appropriate hymn. Interment was made in Graceland cemetery.

Pallbearers were Ralph Lannigan, Donald Lannigan, Gerald Ammons, Albert Grocutt, Jack McGonigle and Merle Glitch.

Mrs. Emeline B. Gibson

Mrs. Emeline B. Gibson, widow of Ira Gibson, one of Lawrence county's older and most highly respected residents and a member of one of the pioneer families of the district, passed away Thursday November 3, 1932, at 1:30 p. m. at her home in Union Township, following an illness due to complications from which she had been suffering for the past one and one half years.

Mrs. Gibson was born in North Beaver Township, December 21, 1848 the daughter of Abraham and Catherine Pitzer Bender, and had she lived until the twenty-first of next month, would have been eighty-four years of age.

She had resided in the same house in which her death occurred for the past forty-five years. During her long life, Mrs. Gibson had lived a faithful Christian life. She had a kind, loveable disposition that was known and especially appreciated by the friends and neighbors who came in contact with her in their sorrow and their happiness and was loved and esteemed by all. Her death causes a vacancy in the life of the community that will be hard to fill.

She was a member of the First Presbyterian church. Her husband, who was one of the outstanding citizens of the community during his life time, preceded her in death, December 26, 1925.

Mrs. Gibson leaves to mourn her loss, the following children, Chas. B. Gibson, of Meyer avenue, James R. Gibson of Union Township, Mrs. Charles A. Eaton of Niles, O., Harry G. Gibson of Oak Park Lodge and Miss Kathryn Gibson at home, also the following sisters and half-brothers, Mrs. A. W. Bentel of Pittsburgh, Mrs. Eva Harris of Cleveland, Oklahoma and Charles G. McKinley of Moravia and the following grandchildren, Miss Charlotte Gibson and Mis Frances Gibson of this city and Miss Edna Eaton, of Niles, O.

Funeral services will be held Saturday, November 5, 1932 at 3 p. m. at the late residence in Union Twp. with her pastor, Dr. Walter E. McClure in charge. Interment will be made in Greenwood Memorial Park.

WOMAN'S DEATH CAUSES MYSTERY AT ERIE, PENNA.

(Continued From Page One)

verting the murder theory, was revealed by police who said the following entry had been made in Mrs. Post's diary.

"Boy, oh boy, if I don't find a job soon, the lake for me."

The coroner's office, however, said the girl's lungs held but a small amount of water and that a large red welt on her skull had been inflicted before death.

Mrs. Post changed her name to Russ after meeting the wheelsman aboard the excursion steamer, Keystone, which plies between Erie and Port Dover and on which she was employed as a housekeeper.

Police learned Mrs. Post had separated from her husband before she met Russ. Two children were born to the Post union, police said.

AUTO CRASHES INTO ANOTHER MACHINE

Wilmer D. Hill of 608 South Ray street reported to the police Thursday that he was enroute west on Croton avenue at a considerable rate of speed, when J. A. Miller of R. D. No. 9, parked on the south side of Croton avenue, pulled out from the curb and his car struck the Miller car, then the curb and overturned. Fortunately none of the occupants of either machine was injured. The cars were damaged to some extent.

WRIGLEY DOLLAR BILLS TALK OF NEW CASTLE

Wrigley Reporters Cause Much Excitement With Their Dollar Bills

MR. SPEAR

Miss Mint and myself certainly got started on the right foot yesterday morning. Two very nice ladies approached and asked us if we would like to contribute to the Community Chest Fund, of course we were very happy to make our donation to such a worthy cause.

Well East Siders, Miss Mint tells me that you gave her a very nice reception yesterday. The first person she met with a package of Wrigley's was MRS. LOIS RAE DAVENPORT, 1004 Adams St., who said Spearmint was her favorite gum and she always had some handy. Some other people she met on the East Side, and who received Wrigley dollars were: MRS. STANLEY REESE, 923 Rose Ave., JACK C. LEONARDSON, 915 Ryan Ave., ELIZABETH T. CRAFT, 929 Warren Ave., MRS. HAROLD GILL, 921 E. Hazel St., MRS. MAUDE McKAY, 910 Temple Ave., MRS. JOHN McGUIRE, 911 Clarence Ave., MRS. ROBERT KEELING, 1230 S. Cascade St., MRS. MARGARET JORDAN, 1724 E. Washington St., and MRS. M. L. McBRIDE, 1317 E. Washington St., who stated that she liked the Spearmint flavor.

Did we ever have a lot of fun at the St. Mary's school today! I guess Miss Mint thought she was mixed up in the Pitt-Notre Dame football game, as the children rushed her from all sides wildly waving packages of Wrigley's gum. I think you boys and girls proved a little too much for one Miss Mint to handle, so the remainder of the afternoon turned out to be one big game of hide-and-seek, and I will say that you kids are some seekers. We were both sorry that all of you that had a package of Wrigley's yesterday couldn't get a dollar, but don't give up hope for Miss Mint and myself will be here for some time yet.

One of the cutest little fellows I have had a chance to pay a new dollar bill to was NORMAN HERSKOVITZ, 503 Sheridan Ave. When I asked Norman if he had a package of Wrigley's he showed me a package of Juicy Fruit and said that was his favorite gum. Norman is going to save the dollar so that when he grows up he can use it at college.

MR. JAMES R. FINNEGAN, 203 Scott St., said he thought cellophane wrapper and the easy way that it opens was a great idea. Mr. Finnegan said the Spearmint flavor lasts but he had so many friends the gum didn't.

I wish we could print the names of all the people who received a Wrigley dollar, but that would be impossible. However, here are the names of some of the people who have received dollars: RUTH ANN HIGGINS, 510 N. Jefferson St., KATHLEEN MAHER, 615 W. Washington St., BILL CHIP, 108 Phillips Place, EILEEN LYNCH, 114 Atlantic Ave., BOB CASEY, 704 Etna St., LEO QUINN, 738 Court St., BETTY CALLAHAN, 103 E. Garfield Ave., KATHLEEN FAZZONE, R. F. D. No. 5, New Castle, BEULAH MAGRUDER, 107 Phillips St., MISS JANET WEDDELL, 708 Wilmington Ave., WILLIAM CHALLIS, 810 Harrison St., MISS DOROTHY BRENNEMAN, 16 W. Falls St., MISS FLORENCE CONTI, 1502 Hamilton St., MISS MARIE WEST, Falls St., MARY BROWN, 803 Harrison St., PAUL T. HOAGLAND, 335 Cedar Ave., Sharon, Penna., MISS JEAN LOCKE, R. D. No. 9, New Castle, THEODORE JACKSON, 426 Wood St., Officer RAY SHOWALTER, 924 Hazel St., City Detective JOHN C. YOUNG, 707 Blaine St., and THOS. M. BOYLE, the very distinguished Manager of the Castleton Hotel, who said he enjoyed Wrigley's gum immensely. Here is another dollar for the Community Chest Fund.

We have distributed hundreds of these crips new dollar bills but our supply is holding out very good. We still have enough to keep us very busy for a long time, so don't be discouraged if you haven't been stopped yet. We are getting all over town, and are stopping people everywhere, so don't fail to be prepared—YOU MAY BE NEXT. Adv.

CROWDS OUT EARLY TO GREET HOOVER

(Continued From Page One)

the cheering had subsided he thanked the crowd "for discomoding it at such an early hour."

"It was worth it!" a Hoover fan yelled and the crowd cheered again.

Mrs. Hoover also made her appearance on the platform and was given a big cheer.

The special left at 6:36 a. m. after an 8-minute stop.

The presidential train crossed the Indiana-Ohio state line at 6:10 a. m.

The next stop was at Nappanee, Ind., at 7:31 a. m.

The crowd here began assembling as early as 5 a. m. Automobiles lined the streets for blocks in every direction from the B. & O. Railroad station. Farmers came for miles to get a glimpse of the President.

"Will the President be up?" the crowd speculated.

The President was up and did not disappoint the crowd.

HELD FOR COURT IN CUTTING CASE

Stella Jordan, colored, was held for the December term of court by Alderman L. C. Mantz this morning, following a hearing on a charge of assault and battery with a knife. Anna B. Jackson, also colored, claimed that the defendant cut her on the shoulder with a knife during a quarrel. Stella was unable to furnish bail and was committed to jail.

JUNIOR WOMAN'S CLUB DISCUSS CIVIC WORK

The Junior Woman's Club met Thursday evening at the home of Miss Agnes Webster on North Front street. A business session opened the program, and after the usual routine had been completed reports of committees were heard.

The girls are greatly interested in civic work which comprised much of the evening's discussion. Definite announcement regarding this phase is to be made later.

Splendid reviews were given of current plays with the following taking part: "Of Thee I Sing" by the committee chairman, Miss Margaret Tucker; "The Good Earth" by Miss Geraldine Turk; "Once In A Lifetime" by Mrs. McFarland. Roll call was responded to by giving the names of differnt plays.

A report of Miss Gertrude Chapin, critic, concluded the meeting.

Miss Georgianna McNees of 138 Fairmont avenue will receive the members on November 17th.

UNIVERSITY WOMEN MEET SATURDAY

(Special To The News)

NEW WILMINGTON, Pa., Nov. 4.—The New Wilmington chapter of the American Association of University Women, which includes membership in Mercer, Grove City, Sharon, New Castle and New Wilmington, meets Saturday afternoon in the parlor of Robert Audley Browne hall at Westminster college.

Miss Elizabeth Stewart, head of the department of modern languages at Westminster, will be in charge of the meeting. Miss Jennie Monroe, dean of the Pittsburgh academy and a member of the Pittsburgh chapter A. A. U. W., will be the speaker.

SHRINE CHAPTER HAS OLD FASHIONED PARTY

The White Shrine, New Castle Chapter 14, sponsored a unique program at the Cathedral Thursday evening which was in the form of an old fashioned party.

A tureen dinner was served at 6:00 in the West dining room at tables cleverly arranged with quaint dishes which dated back to great-grandmother's time.

Following the dinner a brief business meeting was held in the East lodge room after which members and friends gathered in the West dining room for the main feature of the evening's program, consisting of a series of ten living pictures, namely: that of George Washington by Stuart portrayed by Mrs. John McNeil; the First Flag portrayed by Mrs. John McNeil, Mrs. Earl Emerick and Miss Camilla Smith; Mona Lisa by Leonardo Da Vinci portrayed by Miss Smith; Pot of Basil by Alexander portrayed by Mrs. Willard Belknap; Age of Innocence by Sir Joshua Reynolds portrayed by Miss Miriam Smith; Mary Magdalene by Vita portrayed by Miss Camilla Smith; Sistene Madonna by Raphael portrayed by Mrs. Emerick; Virgin Consoler by Bouguereau portrayed by Miss Camilla Smith and Mrs. Emerick; Pilgrims of Emmaus portrayed by Mrs. McNeil, Mrs. Emerick, Mrs. Belknap and Miss Camilla Smith; Ecco Homo by Reni portrayed by Miss Camilla Smith.

The success of the evening was due to the leadership of Mrs. Willard Belknap, general chairlady, and Mrs. C. D. Keagy, who had charge of the living pictures.

Queen Esther Meeting

The American Queen Esthers, of the First Methodist church, met at the home of Verna Rosser of Euclid Avenue, Thursday evening for their regular monthly meeting.

The meeting was opened with devotionals followed by the program both of which were in charge of Mary Nunn. The Misses Esther Jane Caven and Beulah Magruder were speakers on the program.

A business meeting was held at which time plans were made for the Queen Esther Rally to be held on Tuesday, November 29, at the First Methodist church. Miss Magruder gave an interesting report on the missionary convention, at Kane.

At the close of the business meeting a social period was enjoyed after which a delicious lunch was served by the hostess assisted by the Misses Magruder, Margaret Wallace, and Mrs. W. R. Wallace.

The next meeting will be held on Thursday evening, December 1 at the home of Esther Jane Caven, of Edison Avenue.

Wyleaway Bridge Club Notes

The Wyleaway Bridge Club members will meet Thursday afternoon at 1 o'clock for a bridge-luncheon in the home of Mrs. C. C. Andrews, 123 East Garfield avenue instead of Mrs. Showater as previously planned.

B. & O VETERANS HOLD SOCIAL EVENT

New Castle Division, Baltimore and Ohio Veterans, and its auxiliary last night held a joint social session in the Sons of Union Veterans Hall in the city building.

Members of the Youngstown Division and Auxiliary were special guests of the occasion. These guests included Mrs. W. W. Smith, president, Mrs. Mary Ludt, secretary and Mrs. Thomas Fahey, chaplain of the Youngtown Auxiliary and Mr. and Mrs. M. Dempsey.

The early part of the evening was devoted to the presentation of a fine program, which had been arranged for the occasion by Mrs. James L. Cole, chairman of the program committee.

The program presented was of an unusually high order and the talent was entirely that furnished by persons of the Baltimore and Ohio personnel or their families.

The program presented follows: Reading: "When Edna Telephones" Vera Betty Walter; vocal solo, Mrs. Paul E. Weller with Miriam Harris as accompanist: piano solo, Miss Mary Kilbreath; Musical reading, "When Grandma Danced the Minuet" Lois Leddy with Mrs. George Westlake as accompanist: vocal solo George W. Short with Mrs. George Westlake as accompanist.

Following the program, the evening was spent in dancing and social chat. The music was furnished by the Royal Pennsylvanians of which Angelo Filigenzi is the director. Ray S. Muder was chairman of the music committee.

Late in the evening, dainty refreshments were served by the Refreshment Committee, consisting of Mrs. R. E. Armstrong, Mrs. C. J. Bernhart, Mrs. H. Tetlow, Mrs. John F. Thomas, Mrs. William Horchler, and Mrs. Kenneth Walters.

EVENING PROGRAM FEATURES TEA PARTY

Among the many delightful teas that have been given this week one of the most enjoyable was that in the parlors of the First Methodist church when the members of the Queen Esther Auxiliary entertained about three hundred women Thursday evening.

The parlors were handsomely decorated with flowers, lamps and rugs; small tables, centered with bud vases of small mums, were arranged about the rooms and about these the guests were seated for the program.

The program opened with a reading by Kathryn Johnson, a soprano solo by Miss Mary Clarke, accompanied by Mrs. Anna Moore Pyle; a playlet, "Peter Pan" presented by Girl Scouts under the direction of Misses Leona Sankey and Regina Popp; reading, little Kathryn Wilcox and a contralto number by Mrs. Madeline Nail Rugh, accompanied by Mrs. Paul Welsh.

Most charming was the style review given by models from the New Castle Dry Goods, and this part of the program was particularly interesting to milady, always interested in the newest wearing apparel. During the style show a string quartet from Senior High school played.

Mrs. Earl Buzard was general chairman of the arrangements; Miss Martha Bigley and Mrs. Vennor Bright had charge of the program and as the hostess at each table served her guests with dainty refreshments, the aides being under the chairmanship of Mesdames J. D. McClelland, Paul Pattison, Ed. Hoye, Will Wagner and B. H. Kannenberg.

Surprise Party.

Miss Olive Miller, 505 Countyline street, was pleasantly surprised when a group of her friends invaded her home Wednesday evening to celebrate her 16th birthday. The party was arranged by Mrs. Pierce and ably assisted by Mrs. Miller.

The time quickly passed with fortune telling, games, cards and dancing. A mock wedding was performed by Olive Miller, Lee Hilliard and Thomas Trodden.

At an appropriate hour a delicious lunch was served by Mrs. Pierce and Mrs. Miller, after which Esther Pierce presented Miss Miller with a gift from the group.

Those present included Olive Miller, Sally Lou Parker, Charlotte Withers, Dorothy Pugh, Becky Samuels, Esther Pierce, Fae Weaver, Vivian Hamil, Virginia McBride, Johnnie Hill, Thomas Trodden, William Woodworth, William Barnes, Thomas Gettings, Herbert McClure, Merle Bees, Lee Hillard, Delbert Dennistson.

Poverty Party.

A gay event of last evening was the "poverty party" held by members of the Dorcas class of the Central Christian church at the home of Mrs. C. Walker on Cunningham avenue.

This marked the regular meeting of the class, and after the business transactions a social time was in order with fortune telling being a high light.

Lunch was served by the hostess, assisted by Miss Minnie Moore and Miss Sedone Kirker.

Their next meeting will be in the form of a Christmas party featured with a tureen dinner on Thursday, December 1.

Surprise Stag Honors Birthday

An event of Thursday evening that proved enjoyable was the surprise stag party given in honor of Earl Parshall at his home, 711 Junior High street, when his wife entertained in celebration of his birthday anniversary.

The evening was spent informally with a smoker and cards. Lunch was served at an appropriate hour, Mrs. Parshall being ably assisted by Mrs. Joe Kreuger, and Bobbie Parshall. Places marked for Curys Dickson, Joe Kreuger, Jack Shuler, George Morris, James Blair, Mr. Parks, J. J. Gordon and the guest of honor.

Moonlight 500 Club.

Mrs. Francis H. Johnston of Allen street, entertained as guests Thursday evening members of the Moonlight 500 Club. Cards were enjoyed and prizes went to Mrs. William Murphy and Mrs. George Woodring at the close of play. After partaking of a dainty lunch, the hostess served a dainty repast.

In two weeks Mrs. Woodring of Almira avenue, will have club.

ANNUAL LUNCHEON FEATURES MEETING

A day long to be remembered by eighty women of the Women's Missionary Society of the First Baptist church was Thursday, when the annual Thank Offering luncheon was held and a delicious menu served, with tables arranged for seven sections of the society.

Each table was prettily decorated, but outstanding was the table of section three, which was centered with an orange tree, bearing eight large oranges. The invocation was asked by Rev. Margaret Joshua, and after the serving Mrs. David Nesbitt arose and in a clever manner, informed Mrs. W. H. Williams, president of the society and member of section three, that the orange tree was placed upon her table as a courtesy to Mrs. Williams and her family, who are leaving shortly to spend the winter months in Florida. After plucking an orange Mrs. Williams discovered something sweet and snappy within, and then taking the others from the tree she found a short poem in each, from the different sections, some were humorous, but all expressed a deep note of esteem, appreciation, love and gratitude for her loyal service during so many years, and also best wishes for the winter. She opened a box, which was placed on her table and found a bouquet formed of dainty colored handkerchiefs. She expressed her thanks in a most gracious manner.

Mrs. N. L. Gardner explained the Baptist orphanage work and Mrs. Boyd Russler was appointed to take charge of this work. Mrs. E. U. Snyder was appointed to aid Mrs Frank Hayden in the Red Cross work. Mrs. H. H. Sturdy reported on the reading contest and also an interesting letter from William Hammond, whom the society supports at Moody Institute.

Mrs. David Nesbitt, Mrs. E. U. Snyder and Mrs. R. E. Elmore were appointed as a transportation committee for the Beaver Baptist Association meeting, which will be held at Farrell November 18. Mrs. Paul D. Weller reported the white elephant work; Mrs. Nathan Joseph the Red Cross work; Mrs. S. J. Callahan, the Needlework Guild, and Mrs. W. H. Williams gave an inspirational talk of appreciation for the work of the women the past year and urged them to keep up their standard

The offerings for each section were put in a bag and these were placed on a slip in the center of a table. Mrs. Paul Weller sang "Jesus Savior Pilot Me," accompanied by Mrs. S. J. Callahan and then the group sang "Let the Lower Lights Be Burning," and Mrs. William Wilson offered the prayer.

Rev. Margaret Joshua was then introduced as the afternoon speaker and she gave a splendid discourse on missionary work, telling the women there was work at their own door of this nature and urged them to give their services.

Mrs. N. L. Gardner gavethe closing prayer.

Clawson Club

The Clawson Club members were pleasingly received in the home of Mrs. W. S. Caskey at Mt. Jackson on Thursday. A period of games and contests were enjoyed, prizes going to Mrs. Patterson and Miss Mary Patterson.

Piano selections by Miss Mary Patterson were well received and vocal numbers by Mrs. Gray Caskey of New Galilee, a special guest added to the enjoyment of the meeting.

Lunch was served at a suitable hour by the hostess assisted by Miss Willa Caskey.

On Friday, November 25 the members will meet with Mrs. W. H. Patterson on Northview avenue.

T. A. B. Club Members

Mrs. Harry Graham of Wallace avenue received the T. A. B. club members in her home Thursday afternoon for a 1:30 o'clock luncheon. The tables were prettily arranged seating eight. After the serving, a contest in bridge was enjoyed. Mrs. Roy Wish and Mrs. Harry Graham held the honor scores.

Mrs. Frank Cray will be club hostess at her home on Winslow avenue in two weeks.

PHILATHEA SOCIETY PRESENTS PLAYLET

Members of the Philathea Society of the Central Presbyterian church assembled in the church parlors Thursday evening for the regular monthly session, with Miss Alice Sterling, Miss Margaret Pringle and Mrs. Carl Wilson as hostesses.

Mrs. S. P. Tindall led the devotional period and Mrs. W. R. Book discussed the foreign topic, with Miss Margaret Ruthrauff giving the home topic.

The feature of the evening was the playlet "The Woman Who Turned Back" written by Mrs. Bertha Cooper Frazier of Poland. Mrs. George W. Conway directed the presentation and the parts were taken by Mrs. Mont Ailey, Alice Sterling, Viola Maxwell and Mrs. Ben Jenkins.

Mrs. Frances Barnes, accompanied by Miss Helen Ewing, sang.

Refreshments of a dainty nature were served by the hostesses.

Special guests were Mrs. Barnes, Miss Ewing, Viola Maxwell, Isabel Horner, Mary Elizabeth Jenkins, Virginia Donaldson and Mrs. Mars.

MRS. HARRY WETTICH RECEIVES GARDEN CLUB

The regular meeting of the Garden Club members was held Thursday afternoon at the home of Mrs. Harry Wettich on Winter avenue. The usual business routine opened activities, and following a report of the semi-annual conference of the State Garden Clubs which was held during the month of October at Erie, was given.

Mrs. C. S. Royce lead the discussion on "Shrubs" and she had several specimens from her garden on display as did Mrs. B. K. Thacker.

A splendid attendance marked this meeting.

GRAMODA KENSINGTON PLANS EVENING PARTY

The Gramoda Kensington members enjoyed a social time Thursday afternoon at the home of Mrs. George Thomas on Logan street when she entertained at a 1 o'clock tureen luncheon. Fall flowers decorated the tables and after the serving of a delectable menu the hours were spent socially with music and chat.

Their next gathering to be held at the home of Mrs. Wayne Snyder on Garfield avenue will be in the form of an evening party and husbands of the members will be special guests. The date will be announced later.

READING CIRCLE '06 MEETING THURSDAY

Members of the Reading Circle of '06 met at the home of Mrs. Jennie Shaffer on Butler avenue Thursday afternoon for their annual session. Roll call was responded to with "An Officer of the Late War"

After the routine work has been completed, Mrs. J. A. Wilson read an interesting paper on "The Truth About War" and Mrs. J. C. Cavill had for her subject "The Most Famous Battlefields in America."

After a general discussion, adjournment was called and on Thursday November 17 the members will be received in the home of Mrs. P. K. Fike, 425 Sheridan avenue instead of with Mrs. C. S. Joshua as listed in the year book.

Hostesses At Party

The Misses Catharine and Elizabeth Lewis were hostesses on a recent evening to a gathering of friends at their home on Bell avenue.

Music, dancing and games were the pastimes of the evening, prizes being won by Herb Stockman, Bob McGregor and Lenora Coates. At a suitable time a delicious lunch was served by the hosteses' mother assisted by Misses Augusta Hitch and Elizabeth Lewis.

Those participating included Dorothy Crawford, Augusta Hitch, Minnie David, Lenora Coates, Henrietta Ronan, Ella Faller, Anna Windisch, Lilah Crawford, Josephine Windisch, Eileen Bishop and Betty Miller; the Messrs. Gayle Pitzer, Paul Frazier, Bob McGregor, Herb Stockman, Jack Duffy, Bud Kelty, Harold Dinsmore, Charles Hoagland, Raymond Hammond, Harry Crawford, Robert Selby and Clarence Selby.

Lucky Bridge Club Guests

On Thursday evening, Mrs. Robt. Frazier of Clenmore boulevard entertained her associates of the Lucky Bridge Club in her home. Cards occupied the leisure period, the prize being captured by Miss Evelyn Gerald.

A delicious lunch was later served by the hostess at the small tables, with adjournment following. In two weeks Miss Gerald will entertain at her residence on Norwood avenue.

Guests At Dinner.

Mrs. Mary Howell of Youngstown, O., Mr. and Mrs. J. Frank Bovard and Mr. and Mrs. F. O. Alexander of New Castle were honor guests Thursday evening, November 3, at a fellowship dinner in the First Presbyterian church at Beaver Falls.

Dr. Charles W. Kerr, moderator of the general assembly, cousin of Mrs. Howell and the Bovard and Alexander families, was the speaker of the evening.

1927 Bridge Club

The regular meeting of the 1927 Bridge Club members was held Wednesday evening when the associates gathered in the home of Mrs. Samuel Frank on Norwood avenue. Contract bridge featured the hours, and at the close of the evening, the hostess served a dainty lunch.

On Wednesday, November 16, the members will be guests of Mrs. Chester Minick of Temple avenue.

Saturday

Kuple-Kard-Klub, Maude Zeigler, Thorp street.

D. A. R. Meeting, Mrs. A. B. Fankhauser, Hazelcroft avenue.

G. K. W. Club

Mrs. A. W. Scott of Whippo street will entertain the G. K. W. Club members in her home Wednesday evening of the coming week.

HIGHLAND BOOK CLUB LUNCHEON GUESTS

An enjoyable meeting of the Highland Book Club members was held Thursday afternoon at the residence of Mrs. H. C. Harper, Wallace avenue. She entertained her associates at a luncheon, the menu being served at 1 o'clock at a table prettily appointed with fall flowers. Mrs. J. Howard Frew assisted throughout the afternoon.

After the usual routine which followed, the time was spent in an informal social manner.

Special guests present were Mrs. Samuel Perry and Mrs. James T. Ray.

NEW CASTLE HOSPITAL CAMPAIGN CLUB PARTY

The New Castle Hospital Campaign club will gather at St. Joseph's Hall on South Jefferson street Monday evening for the outstanding social event on their Fall calendar. The occasion will begin at 8 o'clock, and a program of games and other diversions will be featured.

The committee in charge comprises Mrs. Rachel Reynolds, Mrs. Emmett O'Donnell, Mrs. A. E. Stritzinger, Mrs. Charles Schweikert, Mrs. Thomas McGuire and Miss Adelaid Uhl.

D. A. R. MEMBERS TO MEET ON SATURDAY

The D. A. R. members are looking forward to an interesting meeting on Saturday afternoon at the home of Mrs. Albert Fankhauser, Hazlecroft avenue.

Activities will begin promptly at 2:30 o'clock and after completion of the usual routine of work, a report of the state meeting will be given.

Mabel Kocher Hostess.

Miss Mabel Kocher, Maryland avenue, was hostess to the members of the L. D. K. Missionary Society of the Third United Presbyterian church at a masquerade party on Thursday evening and much amusement was caused by the varied costumes and the guessing of who was who.

After unmasking, the president, Mrs. Ruth Gibson, called a business meeting when matters of importance to the class were taken up.

Games and guessing contests were conducted by Katherine Hopper and a sketch "Little Bo Peep and Little Boy Blue" was given by Evelyn Parks and Bobby Caldwell.

Refreshments were served by the hostess, aided by her mother, Mrs. J. H. Kocher.

The regular monthly meeting of the society will be held Thursday, November 10, at the home of Mrs. Marie Burdette, Lathrop street.

Council Of Jewish Women Meet.

The Council of Jewish Women met in regular session Wednesday evening at Temple Israel with a large number in attendance. After the business session, the program of entertainment was in order.

Miss Ruth Klivans pleased the guests with a reading, and an interesting surprise was the address "Cause and Cure of War" given by Mrs. William Cosel by a unique broadcasting arrangement, she being in the adjoining room.

Before adjourning refreshments were served by the young mothers, Mrs. Lawrence Davis, chairman, Mrs. M. Rizika, Mrs. Jack Lebby, Mrs. Maurice Schoenberger and Mrs. Mont Blau.

Reunited Ladies League

Mrs. Mary Skidmore of Mercer street was hostess last evening to the Reunited Ladies League. Bingo formed the entertainment, Mrs. Eva Reynolds, Mrs. Mary Williams and Mrs. Elsie Phillips winning the prizes.

After a period of chat the hostess served lunch having as her aide Mrs. W. D. Thorn and daughter Adaline.

In two weeks Mrs. Anna Richards of Maryland averue will have club.

C. L. And E. Club Notes

Bingo was the pastime provided for the C. L. and E. club members Wednesday evening when they met with Mrs. Clara Balch on Neshannock avenue. The prize was won by Mrs. Elizabeth Boyle for this feature, and Mrs. Ann Hamilton was also the recipient of a prize for her costume.

A dainty menu was served at a table appointed in Hallowe'en suggestions by the hostess.

In two weeks Mrs. Elizabeth Foskitt will receive the members.

Amberson Art Club.

The Amberson Art club members met Thursday evening at Rutters on East Washington street. A good number were present, including several new members.

A general discussion, and the usual routine composed the evening's program. The next meeting will be held on December 1st, at the same time.

Hadassah Board

Members of the Executive board of New Castle Chapter of Hadassah will meet Tuesday evening November 8, in the home of Mrs. Jacob Silverman, East Wallace avenue, when plans will be discussed for the mother-daughter tea, which will be held November 14 in the Y. W. C. A.

Masque Event.

Members of Section C of the Y. L. B. class were entertained at a masquerade party Thursday evening in the home of Mrs. Arthur Weir, Huron avenue, and much merriment ensued as the members arrived in all sorts of grotesque costumes.

Mrs. Beatrice Nicholas was enrolled as a new member of the section. The games were most hilarious and prizes were won by Mrs. Howard Gress and Mrs. Bessie Cartwright.

Refreshments of a delicious nature were served.

The next meeting of the group will be with Mrs. Joe Lalley, Maryland avenue.

Daniel Leasure Auxiliary

An interesting meeting of Daniel Leasure Auxiliary No. 52 of the United Spanish War Veterans was held Tuesday evening at the Legion Home. It was planned that sometime in the very near future the auxiliary members would meet at the home of Mrs. Elsie Lach, Pine street, for a tureen dinner and a quilting party of which Mrs. Lach is chairman. Her aides are Mrs. Clara Hurlebous and Mrs. Hoover.

The next regular session will be held November 15th at which time Mrs. Mary F. Gorham of Sharon will pay an official visit.

THINK!

NOW, more than at any time in the history of the United States, is there need for clear thinking on the part of every citizen.

The issues of the national campaign must be carefully thought out and analyzed by the individual voter if our form of government is to be preserved. There must be solidarity of intelligent thought and purpose.

There is no place, either in economics or politics, for mob rule, and the mob-mind is the parent of mob rule. Too many people fail to exercise their God-given right to think and reason for themselves and are carried away from the real issues by will-o'-the-wisp sophistries offered in the place of sound workable principles.

Any fair-minded person knows that the administration at Washington had no part in bringing about the conditions that resulted in world wide economic depression and all the suffering that followed in its wake.

President Hoover has employed such relief measures as were found to be economically sound, sane and practicable and the success of his efforts is evidenced by the progress that is now being made toward business recovery.

During this strenuous period the President has had to endure unjust vituperation and abuse that would have broken an ordinary man, but he has never faltered in his determination to do everything humanly possible to bring about better conditions.

THINK! You must realize that you owe it to yourselves, your families and your country to vote for the continuation of the administration of President Hoover.

THE DEMOCRATIC CLAMOR FOR A CHANGE

Lusty-lunged orators, headed by the Democratic candidate, have been going up and down the land clamoring for a change in administration at Washington, as if a change in itself furnished the magic formula that will surely bring the people happiness and prosperity.

They have harped on this so persistently that one might think that a change of the party in power is always a matter of civic and political wisdom. That line of reasoning was very fine until it came into sharp conflict with the Democratic program in New York State.

Both Governor Roosevelt and former Governor Smith, who have been going around the country urging a change in the Washington Administration, have now been making speeches in New York State warning the people against making any change in the administration in that Commonwealth. With them what is sauce for the goose is decidely not sauce for the gander. They pretend to believe that a change will be highly desirable in the rest of the country and very bad if made in New York. It is an inconsistent attitude, but it is in line with the whole Democratic campaign. So the Democratic leaders find themselves in a rather embarrassing position in New York—that is, if they still find it possible to be embarrassed about anything.

THE VOTERS AND THE PRESIDENCY

Nearly forty-seven million persons have qualified to vote in the election next Tuesday, thus exceeding by four and a half millions the record-breaking registration of four years ago. Indeed, it is an increase of some ten millions over the actual vote cast in 1928.

Just what this means is a bit puzzling even to the experts, but it indicates that both men and women in the various States are going to the polls in larger number than ever before. Six of the States show decreased registrations, but even in those that have big increases the vote may furnish many surprises. What is certain is that the people are taking a keen interest in the campaign this year. Prohibition and the economic depression are the things most talked about: but more citizens than ever seem to sense the great importance of all the issues now before them.

Yet in spite of this no less an authority than William Tyler Page believes the stay-at-homes will exceed those of 1928, and the actual vote may be smaller, despite the rise in registration. How is that to be accounted for? Well, one explanation is to be found in the Southern States. It is generally felt down there that the Solid South is going to be true to its traditions. That being the case, many thousands of persons will not take the trouble to go out and vote. They will be satisfied that a difference in the mere size of the plurality of the Democratic candidate is not a matter of importance. In some other States—strange as it may seem—there are a number of persons who are so undecided over the issues that they may not go to the polls at all.

Some of the more optimistic ones predict a total vote of 45,000,000. In many districts the women are taking a lively part in the campaign, and it is estimated that they are likely to cast 30 per cent of the total vote in their precincts. All this is interesting; but only the result will tell the tale. In any event, it is the duty of every good citizen to go to the polls and cast his vote in accordance with the dictates of his conscience. The shirker will have no valid right to complain about the result. Yet it is often the man who is too lazy or too indifferent to vote who becomes the severest critic of the Government.

LIQUOR NOT ROAD TO PROSPERITY

Norman Thomas, the Socialist candidate for President, does not regard the issue this year one of beer or liquor. In an address, delivered in Newark, N. J., he made short work of the argument of Governor Roosevelt that legalizing beer would bring back prosperity. This is what he said:

"I protest solemnly against the notion that the repeal of the 18th Amendment is any road to prosperity. If men cannot buy bread, how can they buy beer? Legal beer will not create more jobs. You tell me that beer is the means to prosperity. Tell me then, why hundreds of thousands are rioting in Great Britain, when God knows they have had oceans of beer there for hundreds of years.

"I protest against Governor Roosevelt's conclusion that we can drink ourselves out of debt."

Proof that the world is growing better lies in the fact that its conscience hurts a lot more.

All Of Us

By MARSHALL MASLIN

That Bertrand Russell says strange things. I can't always make him out. . . . He looks so mild and humorous and harmless, but his tongue is a stick of dynamite and when he speaks ideas explode in thunder.

He makes speeches, writes books, thinks more than most of us do, runs a school in England. In his most recent book he said that it was a good thing for children to say just what they thought to grown-ups. If they feel like telling a father that he's a fool, that father ought to be glad, ought to accept the epithet as his due, and be proud that his child is so free in his presence.

Perhaps one ought to take that as a new revelation about child care. Gulp a little. Make a sour face, perhaps. But proclaim that Bertrand Russell is entirely right. . . . Maybe you can do that. You may be a free and broad-minded grown-up who is capable of such heroism. . . . But I'm not. I can't do it. And I've tried. But it's too much for me. . . . I can't see why a child should be rude.

Bertrand Russell thinks that when you allow a child to say or do exactly what he thinks it will be good for him. It'll make him feel at ease in the world. He'll be happier. He'll be, eventually, a more complete human being. And the parent who allows his child to call him a fool will have the friendship and affection of his offspring. The son will not be afraid of his father.

* * *

It's a good idea, but I can't swallow it.

I don't think Mr. Russell would let a child pet a black leopard. I don't think he'd allow him to turn on the gas and let it flow. I don't think that Russell, as a pacifist, would give his own boy lead soldiers as playthings. (I do think HE would try to lead a child away from all warlike toys.) And I can't see how it's of any value to a child to be allowed to think that any other human being is a fool and to call him one to his face.

Seems to this struggling parent that in this imperfect world the less epithets the better and nobody should call anybody else a fool. . . . And certainly no adult should call a child a fool. Not even a little fool.

THE OTHER FELLOW

Why don't you make some effort to help the other fellow?

Many times you have had opportunities to help another when all it would have meant to you would have been some thinking and consequent advice.

When you are asked for aid to overcome some difficulty is not your usual course one of hastily admitting that you know no way out of the trouble.

Of course you don't add that you have no intention of finding a way for anyone, either.

Unless his problem equally effects you, you refuse to consider it.

However you have seen the time when you would have welcomed a little help to get you out of some of your own delimmas.

Maybe you have thought so much about your own troubles that you think none could evolve a new thought to help solve them.

To consider another's troubles might give you a little relaxation.

Since you are not involved you might be able to see more clearly what might be done to help.

The person who asks advice may have reached the point of thinking in circles and a suggestion from you might give him a new course of action.

Are you stingy even with your brain power?

THE TREE AND THE FARMER'S STALL

Who westward drives in early fall
The paved Ann Arbor road,
Must see, if he observe at all,
Scarlet and gold bestowed
Upon a solitary tree,
Which stands beside the way,
So lavishly that it might be
The king of trees today.

For miles the driver views the flare
Of crimson 'gainst the sky,
And thinks that surely far off there
A pageant's passing by.
To him a blaze of color seems
To mock the noon-day sun.
For one poor tree he never dreams,
Such glorious robes were spun.

Yet underneath that spreading silk
No monarch's purse could buy,
A farmer barters cheese and milk
And pumpkins for a pie.
"And lucky man is he," I say,
"In these brief days of fall,
To have such plumes of splendor play
Above his humble stall."

For failures just because they
have never been understood.
For cranks just because they cannot surrender a conviction.
For hypocrites just because they

unholy profits.
For fools just because the rest of

For religious just because they

Suppose legal beer does come back. It will be taxed about six dollars a barrel. Beer could be bought for less than that before the world war came to an end for some. A case of beer would cost about three dollars and most all the homebrewers would keep on making their own suds and save the tax. A barrel of homebrew can be made for a dollar or so, we are told. "Not to my knowledge."

Symposium of Editorial Views By Newspapers of Nations on Important Subjects as Edited by Consolidated Press Association

Norman, British Bank Chief, Puts Mystery Into Finance

Doubts As To Cause And Treatment Of Depression Impress Americans, Who Regard Him As One Of World's Banking Experts

Sir Montagu Norman, Governor of the Bank of England, who recently visited the United States, has made a statement on the depression which has created a strong impression in this country, because it has tended to introduce the element of uncertainty, with some mystery, into the treatment of business conditions. There are various interpretations of his declaration, that he approaches the subject with "ignorance and humility." It is observed that he professes to have no knowledge as to a remedy for conditions.

Conceding that the picture presented is gloomy, the DES MOINES TRIBUNE yet finds a pleasanter aspect, and states: "Sir Montagu admits that just now he doesn't know. If that mood is shared by his fellows, it should mean that finance is now more open-minded with regard to these problems than it has ever been before within the memory of man. Heretofore, financiers as a class have been outstandingly the apostles of dogma. They liked to tell us that thus and thus was so and so, and we questioned them at our peril. It is a great thing if finance has at last adopted the attitude of the scientific investigator. If it has abandoned its traditional narrowness of outlook and fear of what is new, and is ready to listen to theories that are not stodgy with age, we may be thankful, and perhaps look for new discoveries in finance and economics that will rival those that come so frequently in other fields of scientific research."

"A bewildered baker seems to be as fantastic as a poet with a haircut," declares the BALTIMORE SUN. "Mr. Norman hasn't the foggiest notion what is the matter with us. He thinks something might happen for the better if the nations could get together, but, having spent a lot of time on the inside of conferences, he is pessimistic about the prospect. In short, the difference between Mr. Norman and other bankers seems to be that, whereas they base their dogmatism upon tables of statistics. Mr. Norman bases his uncertainty on a considerable experience with human beings who act as if statistics had never been invented. Perhaps this is why Mr. Norman disguises himself as 'Professor Skinner.' He would like to belong to a craft which bases its conclusions on facts and figures and isn't much worried by the craziness of the human race."

"His statement," thinks the SPOKANE SPOKESMAN-REVIEW, "should allay the cock-sure egotism of the person who approaches the subject in abundant ignorance but far from a spirit of humility." The BOSTON TRANSCRIPT directs attention to the fact that Mr. Norman has been Governor of the Bank of England for more than ten years, although previously it had been customary to choose a new Governor at the end of two years, and holds that his eminence in finance is established. It feels that while "it does not appear that he had American affairs particularly in mind, the speech should be valuable to citizens of this country." The HARTFORD TIMES says: "The Norman point of view does not lose hope, but it lifts the problem of the times above narrow political horizons everywhere, and suggests, probably, even more of truth than it specifically reveals. There is a great wealth of suggestion for the United States in his thought: 'I believe that if every country and every government could get together it would be different.' Thus far it has seemed impossible to get a real international or even national mobilization to attack the depression. But hard times in our own country are capable of tremendous mitigation if the right kind of a get-together movement should be organized here, under the leadership of the President, whether Mr. Hoover, or his successor."

"Mr. Norman admitted," according to the PHILADELPHIA PUBLIC LEDGER, "that all was not black and hopeless. He expressed a little hope in these words: 'I hope we may all see the approach of light at the end of the tunnel. Some people already have been able to point out that light to us. I, myself, see it somewhat indistinctly, but I admit that, for the moment, the way is not clear.' We in this country feel, no doubt, that the light at the end of the tunnel has become visible. We know that the way ahead is not an easy one, but we are sure that we are on the right track and that our progress, slow as it may be and is likely to be, is based on sound principles."

"The American people," adviser the WASHINGTON EVENING STAR, "have learned a good deal during the past three years about prosperity and the corners around which it is supposed to lurk, but they have not yet resigned themselves to the spirit of defeatism which tinctures the affirmations of the government of the Bank of England. On one score there will be complete agreement with Mr. Norman's utterances at a lord mayor's dinner in Guildhall last week. 'The confused affairs of the world,' he said, 'have brought about a series of events and a general tendency which appear to me at this time as being outside the control of any man and any government and any country.'"

The World AND THE Mud Puddles

HOW MUCH WAS THAT?

The sales girls in a leading city store are now being sent up to a bureau on the fifteenth floor to learn the ins and outs of the product they're selling. One clerk, who presides over the umbrellas, took her lesson very much to heart, memorized the data, and returned to her department, fired with enthusiasm for this new and higher method of selling.

Her chance came when a customer showed some interest in the particular $2.97 umbrella that had been tested in the bureau.

"That umbrella leak?" said the girl. "Why, madam, it's made to stand a hydrostatic pressure of seventeen centimeters."

The customer looked dazed.

"But I never go out in weather like that," she said.

Outline French Plan To Prevent Wars In Future

Kellogg Pact Provides For Blockade Of Any Aggressor Nation

CHIEF POINTS OF PACT REVEALED

Joseph Paul-Boncour French Minister Of War Makes Speech At Geneva

(International News Service)

GENEVA, Nov. 4.—The Kellogg pact automatically provides for blockade of any aggressor nation, Joseph Paul-Boncour, French minister of war, told the steering committee of the disarmament conference today.

Outlining the new French disarmament plan, Paul-Boncour revealed that in addition to ending neutrality rights, the proposal abolishes traditional freedom of the seas.

Must Be Outlawed.

"The Kellogg pact outlawed war," he said. "He who makes war is outlawed and must be blockaded. The territory he acquires by war will not be recognized."

This, Paul-Boncour said, is the logical interpretation to be placed on the Kellogg pact in view of the recent speech by United States Secretary of State Stimson stressing the consultative phases of the treaty.

"We must have assurance," he added, "that on the seas we will not encounter any great nation which, remaining outside the European disarmament pact, remains outside the blockade."

One-Third Cut.

The new French disarmament plan is based upon the Hoover proposal for a one-third cut in world armaments, Paul-Boncour said.

Paul-Boncour explained the plan itself was incomplete and that it would be formally presented later. He merely outlined its chief points today.

He promised "considerable reductions" in the French army if the French plan is adopted.

New Type Army.

A "new type" of army was predicted "which will bring about equality of arms."

If her proposed militia armies are adopted, Paul-Boncour promised France would agree to the following steps:

1. Abolition of chemical warfare.
2. Total abolition of aerial bombardment.
3. Creation of a league of nations aerial force.
4. The league would be furnished with a share of soldiers to use against an aggressor.
5. Armies and war materials would be progressively diminished.

Paul-Boncour stressed that international control of armies was the "key" necessary to the success of the plan.

HIGHWAY HEAD FAVORS HOOVER

Samuel S. Lewis, Member Of Pinchot Cabinet, Cites Tariff Factor

WELLSBORO, Pa., Nov. 4.—Secretary of Highways Samuel S. Lewis, in a campaign speech last night urged the election of President Hoover and the entire national, state and local Republican ticket.

Lewis is the only member of the Pinchot cabinet who has made a President campaign speech.

"Between the two great national parties, Republican and Democratic, there is one marked difference of policy which vitally affects this state," Lewis said.

"The Republican party is the exponent of the protective tariff.

"The Democratic party in this campaign, as always, advocates a competitive tariff for revenue only. This means import duties fixed so low as to open American markets to foreign producers on a basis of free competition."

Large Audience Hears Evangelist

A large and appreciative audience heard evangelist Bosworth's sermon on "Appropriating Faith" last night in the Gospel Tabernacle, Pearson street.

Many were seen at the altar following the sermon.

Mr. and Mrs. C. Jenkins sang a duet "A Mighty Redeemer" one of Rev. Bosworth's compositions.

"A Governor in Hot Water" will be the evangelist's sermon topic for tonight.

Joseph R. Grundy Urges Election Of Tariff Protectors

Warns That Democrats Will Fill Offices With Southerners If Elected

(International News Service)

ALLENTOWN, Pa., Nov. 4—Breaking a silence he has maintained throughout the campaign, former United States Senator Joseph R. Grundy today urged re-election of congressmen who will uphold present tariff levels to prevent the tariff bill being rewritten by the legislators from below the Mason-Dixon line.

Grundy's plea was voiced during a speech in behalf of Congressman Henry W. Watson, Republican candidate for re-election. He said:

"When Democrats are in control at Washington, all key positions go to the south by virtue of seniority. And these southerners, from sheer ignorance and unfamiliarity with business are so crude and know so little that the country automatically goes on the rocks."

Grundy explained that his opinion of the business acumen of southern congressmen by asserting that below the Mason-Dixon line "there is no business except politics."

There will be no meeting of the teachers Saturday evening in the manse, on acocunt of the young people's conference in the First Christian church.

To improve Any child's

APPETITE

If you want your child to eat more to gain and grow strong, begin this very night with the famous "California treatment!"

A sluggish appetite means a sluggish colon. Correct this condition called *stasis*, and see how quickly a listless, drooping boy or girl begins to eat—and gain! The only "medicine" such children need is pure, unadulterated fig syrup.

California fig syrup is doing wonderful things for ailing, sickly children all over the United States.

The one way to conquer constipation If your baby, boy, or girl is bilious—pale-faced and dull-eyed from constipation—breath bad mornings, tongue coated all the time—don't give cathartics that weaken twenty feet of bowels! Instead, a little fig syrup that doesn't disturb either stomach or bowels, but does act on the lower colon—where the trouble lies.

Nature never made a finer laxative for children; and they all love the wholesome, fruity flavor of the real California fig syrup. It's purely vegetable, but every druggist has it all bottled, with directions. Begin with it at once. Your child will soon be eating better and feeling better. Keep on with the fig syrup a few days and see amazing improvement in appetite, color, weight, and spirits.

Children who get fig syrup, now and then, keep well and avoid colds.

NOTICE: *The bottlers of California Fig Syrup respectfully warn mothers that the promises made here apply only to the genuine product in bottles plainly marked CALIFORNIA.*

YOUTH IS BURNED BY OIL EXPLOSION

BEAVER FALLS, Pa., Nov. 4.—Hurrying a coal fire with gasoline, James Reynolds, 22, is in the Providence Hospital with critical burns.

Reynolds, caretaker of a dance hall near Zelienople, attempted to start a fire yesterday in the living quarters of the hall by pouring gasoline on the fire. The explosion shook the building and the flaming fluid was spraved over Reynolds. John Reynolds, who had spent the night with his brother, was awakened by the blast and went to his rescue. After being given first aid the youth was brought here.

Pinchot Warns Electorate Of Voting Frauds

Governor Pinchot Retires To Home In Milford County Till After Election

DOES NOT ENDORSE ANY CANDIDATES

Voters More Than Ever This Year Should Be On Guard Against Frauds

(International News Service)

HARRISBURG, Nov. 4.—Gov. Gifford Pinchot broke his pre-election silence with a statement today, but his remarks extended neither to parties nor to individual candidates. His words were a warning against election frauds.

The governor has returned to his home at Milford and intends to remain there until after the election next Tuesday. His statement of today is expected to be his only participation in the election in which, in addition to the president and vice president, a state ticket of two fiscal officers, four judges of the appeallate courts and members of the legislature will be chosen.

Vigilance Necessary.

In his statement, the governor asserted that vigilance at the polls always is necessary, but doubly so this year because of the importance of the fight.

"Problems of the utmost importance to the future welfare of Pennsylvania depend upon the outcome of this election," the governor said. "The plans and practices of election crooks must be fought more vigrously than ever before. The disgrace Pennsylvania has for generations sustained through the corrupt use of election machinery by entrenched political gangs must be wiped out."

Urges Machines.

Although considerably modified in comparison with his once militant support of voting machines, the governor urged the Philadelphia electorate to vote to retain them.

Once hailed as an absolute guarantee of honest elections, the governor today referred to them as "economical, easy of operation" an aid to a quick count and a "check upon election frauds." He pointed to a necessity for an honest count in Philadelphia elections because of the effect of the total vote there upon that for the entire state.

HOME OWNERS GET CHANCE TO WORK OUT THEIR TAXES

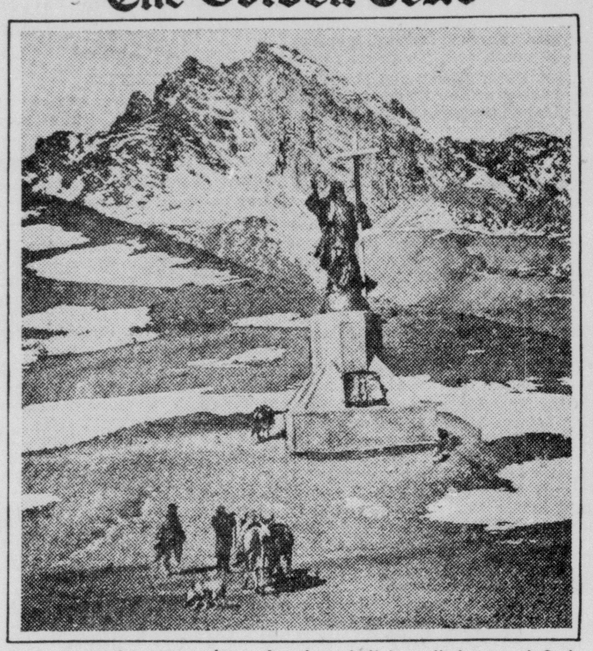

VANDERGRIFT, Pa., Nov. 4.—There are virtually no unpaid taxes in West Leechburg, a small borough near here, that depends almost entirely for its livelihood on a steel plant that has been working at 12 to 15 per cent capacity.

Through a plan of working out taxes, 90 per cent of the people of West Leechburg have paid their borough obligations in full and there is not a home in the town in danger of being lost because of taxes. Not only the people, but the town as well, have benefited. A vast amount of improvement work, including two new streets, has been completed at virtually no cost to the borough.

The Christian And World Peace

"Brass Tacks" On The Sunday School Lesson

The Golden Text

Blessed are the peacemakers: for they shall be called sons of God. Matt. 5:9.

(The international uniform lesson on the above subject for November 6 is Ps. 22:27, 28; 67:1-7; 72:8-19; Is. 2:1-4; Matt. 28:16-30; Eph. 2:13-19, the Golden Text being Matt. 5:9, "Blessed are the peacemakers: for they shall be called the sons of God.")

By DR. ALVIN E. BELL

Ours is a war-weary world. Every nation is staggering under the burden of taxation made necessary in payment for past wars or in preparation for future wars. The mad race in armaments continues among the nations despite the lessons which should have taught us in the past regarding the folly of resorting to might to settle questions of right. And yet we call ourselves "Christian" nations!

All this strife for pre-eminence in power and glory is due to our failure or refusal to see the kingdoms of this world in their relations to the Kingdom of our Lord as that relation was revealed through the psalmist when he sang: "For the kingdom is the Lord's: and he is the ruler of the nations." Only in him and his teachings can be formed the ways of righteousness and equity which make for abiding peace on earth and good will among men. "O let the nations be glad and sing for joy: for thou shalt judge the peoples with equity and govern the nations upon earth."

This heavenly kingdom which is yet to be established in the earth, being a kingdom of righteousness and equity, is consequently a kingdom of peace, according to God's revelation of it given through the prophet Isaiah: "He shall judge between the nations, and shall reprove many peoples: and they shall beat their swords into plowshares, and their spears into priming-hooks; nation shall not lift sword against nation, neither shall they learn war anymore."

"Righteousness and Peace."

It is to be noted that this reign of peace is the fruit and result of the reign of righteousness. The divine order is stated explicitly in this matter in Heb. 7:2, "Being first king of righteousness, and then also king of peace." James reiterates the same order as "first pure, then peaceable."

To talk peace on any other basis is the sheer nonsense of crying, "Peace, peace, when there is no peace."

"The Prince of Peace."

The only way by which this war-weary world can ever realize the fulfillment of this divine ideal of a kingdom of peace is through Jesus Christ, the Prince of Peace. It is by submission to His claim, "All authority hath been given unto me in heaven and in earth.' Among those who give allegiance to him there can be no barriers of hatred, suspicion and ill will. These barriers, whether racial, social or national, are broken down when Christ rules in the hearts of men: "For he is our peace, who made both one, and brake down the middle wall of partition, having abolished in his flesh the enmity . . . so making peace."

New Castle Truck Hits Street Car At Intersection

Accident Was Second In Two Days For Baking Company

BUTLER, Pa., Nov. 4.—The Butler route is a jinx for the Alpha Baking company of New Castle.

Recently, in a slapstick tragicomedy accident in the New Castle road, an Alpha truck upset and spun like a top down Cranmer's hill when a pie plopped over the driver's head.

Yesterday the company's second truck, speeding down Main street, crashed into a Lyndora street car at North street and jolted it from the rails.

Joseph Nocera, New Castle, driver of the truck, was arrested for reckless driving and held by Alderman John W. Bixler for a hearing next Monday night.

Neither Nocera, Motorman Albert Pithers, 214 South street, nor a street car passenger was hurt, but the front of the truck was crushed and the car was dented.

The Alpha truck in yesterday's crash was smashed, but Chris Makris, its New Castle driver, escaped with a scratched arm.

Man Is Killed In Strike In Berlin

Police Charge Mob Of Nazis And Communists And Fatality Occurs

(International News Service)

BERLIN, Nov. 4.—The first fatality in Berlin's transportation strike occurred today when police swept down upon a fighting mob of Nazis, Communists, and strike-breakers near a street car barn.

One Nazi was shot and killed and another was seriously wounded.

All employees not returning to work at 2:00 p. m. today were to be considered discharged as a result of an arbitrator's decision declaring legal the 1-2 cent-an-hour wave reduction against which strikers protested.

Traffic continued to be tied up as all street cars, subway trains, and buses remained in their barns.

ACID STOMACH

● If rich foods disagree, it need not mean a "weak stomach." Sourness and gas doesn't mean "indigestion." Just take an anti-acid to sweeten the system, and enjoy life! Before meals, or afterward when distress is felt. Do this awhile, and stomach and bowels will be in fine order. Use only genuine Phillips' Milk of Magnesia; it is standard. The other preparations do not have the same anti-acid action.

ALSO IN TABLET FORM: Phillips' Milk of Magnesia Tablets are now on sale at drug stores everywhere. Each tiny tablet is the equivalent of a teaspoonful of genuine Phillips' Milk of Magnesia.

TREAT IMMEDIATELY

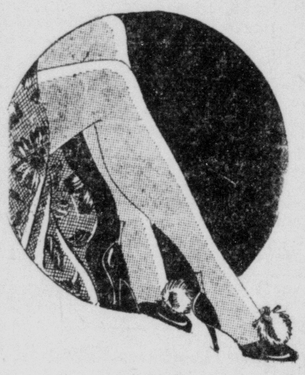

"Treat spots immediately" is a rule that should be followed to the letter, as this will save many a garment from unsightly and irreparable stains.

LIMING PLANTS

When sprinkling your tomato plants with lime, take an ordinary coffee can and punch holes in the bottom. Fasten to the top a long stick. Then place lime within the container. All that is necessary now is to walk among the plants, giving each one a shake of the lime can. This saves time, labor and backaches.

But of course the first organized government gave protection to all, even if they didn't slip it anything.

College Heads Urge Hoover Be Re-Elected

(International News Service)

NEW YORK, Nov. 4.—Presidents of six leading universities in an eleventh-hour appeal to voters today urged the re-election of President Hoover in statements released by the nonpartisan fact finding committee for Hoover.

The list was made up of H. A. Garfield, president of Williams college; Wallace W. Atwood, president of Clark University; George B. Cutten, president of Colgate University; Thomas S. Baker, president of Carnegie Institute of Technology; D. W. Morehouse, president of Drak University and Karl T. Compton, president of Massachusetts Institute of Technology.

All the university presidents took the stand that with Hoover in the White House congress would find it difficult or impossible to pass "inflationary" legislation, endangering the value of basic securities.

President Garfield of Williams college said:

"President Hoover should be re-elected. He has demonstrated his ability to use the veto power against ruthless inflation, our greatest danger at this time."

"A courageous veto power is imperative today," said President Morehouse.

CHINESE GET JOBS, THEN JOIN REBELS

(International News Service)

KIRIN, Manchuria, Nov. 4.—Efforts to complete the short link of railway between Tunhua, east of here, and the Korean border, have failed this year because of frequent rebel attacks resulting in the Chinese laborers deserting, often joining the insurgents. Out of several thousand Chinese recruited at Fushin, more than a thousand joined the rebel force soon after arriving at the scene of work.

The completion of the fifty mile link of track would completely tie up the Korean railways with Manchuria, bringing Japan hundreds of miles closer to North Manchuria.

Is Romance Written Here?

Color is lent to the recent rumors of a romance between Virginia Dawes, daughter of General Charles G. Dawes, and James Martin, student at Northwestern University, by the recent announcement that the couple would lead one wing of the Army and Navy ball, to be held in Chicago this month. They are shown above with the leaders of the other wing. Left to right are: Lawton Crosby, Beatrice McCurdy, Miss Dawes and Martin.

Chlorination Is Now Widely Used

HARRISBURG, Nov. 4.—The use of chlorine in water purification has become common in Pennsylvania, and it is considered a valuable adjunct in the work of preparing a public water supply acceptable to the State Department of Health. Even when water has been filtered in some one of the many filteration plants of the commonwealth, chlorine is used as an additional purifying agent. Its use occurs generally after filtration, although in a few instances it is used both before and after the process.

The first use of chlorine on public water supplies was at Scranton, in the year 1909. That the growth of the use of chlorine has been rapid since that date, is proven by the fact that by June 1st, 1932, 362 public water works using unfiltered water supplies, were treating the water with chlorine, by means of approximately 525 separate chlorination plants, on their various supplies. The water so treated was being served to nearly two and a half million people.

JAPAN HAS PROFIT OF 20,000,000 YEN FROM MANCHURIA

(International News Service)

PEIPING, Nov. 4.—Probably the best explanation of what Japan is doing in Manchukuo can be had from the balance sheet of the South Manchuria Railway just issued and covering operations for the year ending March 31st, 1932. Net profit was 20,375,157.82 Yen, which even at the present depreciated rate of exchange represents more than five million American dollars.

CUPID GETS A BREAK

(International News Service)

ROCK SPRINGS, Wyo., Nov. 4.—County officials of Sweetwater Green River, Wyo., the county seat, are planning to request the next session of the state legislature to revise the five day marriage law passed by the last session. Instead of discouraging hasty matrimony, they declare, the law has served to divert much of Wyoming's matrimonial business into neighboring states.

Father And Son Snatched From Death In Chair

Two Minutes Before Execution Time, Georgia Pair Get Temporary Respite

(International News Service)

STATE PRISON FARM, MILLEDGEVILLE, Ga., Nov. 4.—Two minutes before they were to begin the march from the death cell to the small whitewashed execution chamber where they were to pay with their lives for the murder of three men, a father and son were snatched temporarily from death today.

A long distance telephone order from I. K. Hay, secretary to Gov. Richard B. Russell, Jr., halted the execution of William and Fred Hulsey, as prison officials were preparing to carry out their electrocution at 10 o'clock.

Stay of execution was ordered after the son, Fred, confessed that he alone killed three men in a fight at the Hulsey farm that followed a poker game two years ago.

Borah Declares Depression Cause Was World Wide

(International News Service)

LEWISTON, Ida., Nov. 4—Urging that fundamental principles of government be retained so that prosperity may be restored, Senator William E. Borah reiterated today his contention that organized public opinion is necessary to defeat the depression.

Though he did not mention the Republican National ticket in a political speech here last night, the Idaho dry leaders declared:

"I am talking Republican doctrines. I may be ahead of the procession but it will catch up."

He assured his audience that both major political party candidates for the presidency "are disregarding platforms and are discussing real issues."

"There is no single remedy for the depression which was caused by world wide conditions, and can be cured only by world wide remedies," he said. As a possible solution, he advocated the calling of a world economic conference to adjust conditions, saying that cost of government could be reduced 50 per cent and "we would have better government."

St. Louis Woman Beaten To Death, Slayer Confesses

Man Confesses Killing Of Woman To Police, Says He Was Rejected Suitor

(International News Service)

ST. LOUIS, Nov. 4.—Mrs. Alice Fleming, pretty 34-year-old divorcee was brutally beaten to death today a few hours before her intended marriage.

Charles L. Robinson, a former roomer at Mrs. Fleming's home was taken into custody. He admitted beating Mrs. Fleming to death and described himself as a rejected suitor, police said.

"I recent roomed at Mrs. Fleming's home," police quoted Robinson as saying. "She obtained a divorce. I expected to marry her. She met another man, became engaged to him and was to marry him tonight. I went to her home today and pleaded with her to break the engagement. A rage seized me. I choked her, knocked her down and beat her."

Bruises on the young woman's body indicated she had been kicked as well as beaten, police said.

HAS PRESIDED AT 700 EXECUTIONS

(International News Service)

PORTLAND, Ore., Nov. 4.—The claims of John Ellis, British hangman, that he had executed more murderers than any other man before he committed suicide himself in London, are disputed.

William E. Lamb, guard at the Oregon State Penitentiary claims the "distinction" of having presided at more than 700 executions over a space of 50 years. Ellis' career as hangman is but 22 years, according to dispatches sent out from London.

Unidentified Man Is Found Dead In Big Pool Of Blood

(International News Service)

MONESSEN, Pa., Nov. 4.—The body of an unidentified man, about 40 years old, was discovered lying in a pool of blood along the P. & L. E. railroad tracks near here today.

Coroner William McMurray was summoned here for an inquest.

Joseph Condrosky of Belle Vernon discovered the man lying face downward.

Two Women Are Injured When Train Derails

(International News Service)

ST. LOUIS, Nov. 4.—Two women passengers were injured and several other persons were shaken up when a coach of a Wabash passenger train overturned in North St. Louis today.

Those injured were Mrs. Lili Hoeksera, 58, and her daughter, Miss Ida Hoeksera, 31, both of Little Rock, Ark.

Lawrence County Farms And Farmers

By H. R. McCulloch, County Agent

USE CHEMICALS TO ERADICATE WEEDS

Perennial weeds which spread from the root as well as from seeds are an increasingly serious farm problem. Consistent and persistent cultivation and hoeing will eventually kill any weed, but few are sufficiently persistent to obtain satisfactory results by such methods. A good stand of alfalfa, mown for several years, will kill out such weeds as Canadian thistle and horse nettle.

Where the bad weeds are still confined to patches, the use of sodium or calcium chlorate may be practical. Fall seems to be an excellent time to apply the chemicals. They may be dissolved and sprayed on or applied dry. Sodium chlorate when mixed with any inflammable material is a serious fire risk. Clothing or other material wet with the chlorate solution may take fire from slight friction or even spontaneously. Dry application seems safer, is simpler and easier, and just about as satisfactory.

For bad weeds 8 to 10 pounds per 1000 square feet, or 2 to 3 pounds per square rod, are recommended. The treatment should be applied evently and extended five feet beyond the edge of the patch to get all the spreading roots. The treatment will, of course, kill everything and it may require nearly a year to wash the chemical out of the soil.

Since the chlorates cost 8 to 10 cents a pound, the treatment of large areas with adequate amounts is hardly practicable. The material is not poisonous but is salty so that stock will lick it up if given access to treated areas.

ENCOURAGE PULLETS TO EAT MORE FEED

Rapid growth or heavy egg production without loss of body flesh appears to be closely hinged to total feed consumption.

From the standpoint of maintaining body weight the problem of obtaining the maximum intake of feed is important. As cold weather approaches it is essential that poultrymen check on the body weight of their flocks because the normal tendency of a flock is to cut down materially on dry mash consumption on cold days.

By daily weighing of the mash eaten one will find that dry mash consumption is cut in half on cold days. Supplementing the dry mash with a sufficient amount of the regular mash in the form of moist mash to bring the total feed consumption up to normal prevents the subsequent slump in egg production and aids materially in maintaining body weight.

When pullets are thin in flesh and show evidence of molt, many Pennsylvania poultrymen have found it desirable to feed to each 100 pullets daily three pounds of the following fleshing mash; one pound each of ground yellow corn, ground rolled oats, and condensed milk. This is fed in addition to the regular dry mash.

CAREFUL FEEDING FOR DAIRY COWS IMPORTANT

Careful feeding of dairy cows is especially important this winter. This does not mean short or skimpy feeding, but feeding each cow strictly in accordance with her needs. Giving a cow either more or less than she actually needs is poor business practice, as it wastes feed and will reduce net income or profits.

Dairy cows differ greatly in their ability to use feed to advantage, and dairymen who want to increase profits from their herd need to know just how much feed each cow should have.

This is easily determined by keeping a record of the amount of milk each cow produces. The milk yield provides a good measure for the amount of grain each cow should have.

A general rule in feeding is to give each cow all the hay or hay and silage she will clean up and, in addition, an average of one pound of a suitable grain mixture for each three and one-half pounds of milk the cow produces. For very high or very low testing milk a little more or less grain is needed.

With good legume hay the grain mixture can be largely home-grown grains, corn, barley, oats, or buckwheat, with enough cottonseed meal or other protein feed to bring the protein content of the mixture up to about 16 per cent. If the hay is mixed or timothy, the protein content should be about 20 per cent.

The common practice of skimping on feed to lessen surplus milk is not good dairy practice. It is much better to sell some of the poorer cows and feed those remaining in accordance with their ability to make good use of it.

SPRAYER NEEDS CAREFUL ATTENTION AND STORAGE

Some types of farm machinery can be pulled into the implement shed at the end of the season and left until the following spring without damage. This is not true of the sprayer and spray equipment. Such a practice is neither advisable nor economical.

Various parts of a spray pump, such as cylinders, plungers, and valves, are fitted with exact percision. Lack of care in storing may result in rust, corrosion, or freezing which will cause permanent damage to essential parts.

In preparing the sprayer for winter storage, the first step should be that of flushing the tank, pump, hose and pipe connections with clean water. After this oepration is completed, be sure that all working parts are drained thoroughly. Oil is the best insurance against rust and corrosion; therefore, all working parts need oil. All adjustment connections, as well as the nozzles, should be oiled to facilitate operation and ease of adjustment the following season.

Since the sprayer represents the largest investment of the spray equipment, it should receive attention first. However, it is just as important that other equipment and spray materials be properly stored and cared for. Time devoted to occasional painting of the various equipment, proper care and storage of barrels, pails, hose, and mixing tools will prove to be good economy. A good strainer will last for years if well oiled at the end of the season to stop the corroding effect of the copper solution. Lime and copper sulphate require a dry storage place. Lime must be kept air-tight as air-slacked lime is useless for making bordeaux mixture.

URGES EARLY PRUNING TO GET BEST RESULTS.

Pruning can be done without injury any time other than the growing season. As soon as the fruit harvest is completed, pruning may be started.

Before pruning is done, growers should study several points involved. They should visualize where and under what conditions fruit of the highest quality is produced and also what determines the relative grade of this fruit.

Fruit growing on the outer part of the tree will grade higher than that on the inner section of the tree, because it is produced under the most favorable conditions of sunlight, freedom from interfering branches, and thorough coverage of the surfaces in spraying.

First Suicide Jump From Empire State Costs Victim $1.10

NEW YORK, Nov. 4.—An unidentified man late Thursday hurtled to his death from the open platform near the top of the Empire State building's dirigible mooring mast. His was the first suicide from the world's highest building since it was completed He paid $1.10 to die.

With a guard in pursuit, the man ran up the winding stairway from the 102nd floor glass-inclosed observation room of the mast to the promenade on the 103rd floor. He jumped to the stone ramp as Robert Andry, the guard, screamed: "Don't do it!"

For a moment he stood poised five stories beneath the glistening metal tip of the mast. As Andry ran toward him he jumped. His body crashed to the 87th floor base of the mooring mast.

The man, about 50, paid $1.10 for the ticket to go aloft. Going up at the same time was Pierrepont L. Stackpole of Boston. Stackpole said his elevator companion appeared nervous.

In the pockets of the mans' blue suit were two pictures, one of a group of boys surrounding a clergyman, and the other that of a youth in uniform. On one was scrawled a name which appeared to be "Fred Eckhardt."

In 1930, while the Empire State building was being finished, a workman plunged from the 78th floor level, landing a few stories below. He was believed to have jumped, discouraged because his job was finished.

Most Flour And Cloth Received By Pennsylvania

By ARTHUR C. WIMER
Special Washington Correspondent, New Castle News

WASHINGTON, D. C., Nov. 4.—Pennsylvania has received more flour and cotton cloth made from Federal Farm board wheat and cotton than any other state, the American Red Cross reports.

Up to Oct. 29, the Red Cross had distributed 802,840 barrels of flour and 3,432,330 yards of cotton cloth to Pennsylvania chapters. This was enough flour to feed 417,809 families and enough cloth to clothe 312,092 needy family groups, it was estimated.

No other state in the Union has received such large proportions of flour and cloth.

Mother Dies In Uniontown From Poison Effects

Mother Facing Starvation Who Killed Child And Gave Birth To Another, Dies

(International News Service)

BARNESBORO, Pa., Nov. 4.—A mother facing starvation who killed one of her children and gave birth to another in the same hour today had succeeded in her plans to join the child in death.

Just one week since she administered poison to her six-year-old daughter, Lottie, Mrs. Dorothy Larock, 33, died in Spangler hospital here. She had taken some of the same poison she gave her mentally unbalanced little girl.

The infant boy who was born shortly after the tragic drama is perfectly normal. Physicians said he was living and in good health.

Larock has had no work for months and the little family has been hard put to find enough to eat. Cambria county authorities had drawn up murder charges to file against the mother if she recovered.

Pinchot Gives Hunting Dont's

Governor Gives Pointers Which Will Aid In Safety During Season

HARRISBURG, Nov. 4.—Commenting on the hunting season, now under way, Governor Pinchot today said hunters can do much to prevent land posting if they bear in mind that they are guests of the farmer, and must respect his rights.

As an old hunter, the governor outlined a few unsportsmanlike practices which hunters should avoid.

"Don't hunt in fields where stock is grazing," he said.

"Always repair a fence which goes down as you climb over it.

"When a rabbit runs under a rail pile or stone fence forget it. If you have maimed it, however, make every reasonable effort to get it. Replace whatever you have torn down. And that applies to fodder shocks in corn fields.

"When game goes in the direction of occupied buildings or live stock forget that you have a gun. Shot will sometimes carry a good many hundred yards.

"Don't hunt in large groups without permission, particularly when you have almost a full kennel of hounds, all yelping at the same time.

"Don't be boisterous when you hunt. Be quiet.

"Don't shoot the farmer's poultry.

"Don't tramp across a field of winter wheat when the ground is soft.

"Don't help yourself to apples or nuts.

"Don't shoot at game in a corn field when huskers are at work.

"Don't stay too long on a farmer's property.

"Don't practice target-shooting—and particularly never hang any sort of target on a live tree.

"Don't shoot into a lake, pond or stream, just to see the water splash.

"Don't neglect to thank the owner or lessee of the land on which you hunt.

"Of course it is sometimes true that lands are posted from a selfish motive by owners or lessees who have secured licenses to hunt elsewhere, forgetting all about the fellow who would enjoy the privilege of their land. But the fact remains that land owned by others than yourselves is private property and the hunter's license grants no special privilege.

"Ask permission to hunt and respect the farmer's rights. Then you will have no trouble."

MOTHER— why rub CLOTHES INTO RAGS?

Chipso keeps clothes like new

Don't wear out your good clothes on the hard bumpy washboard! Any soap that asks washboard rubbing from you is doing you a bad turn. Rubbing hurts you. And rubbing may be harder on your clothes than months of wear.

Chipso is all SOAP—richer, sudsier than any other soap you can buy! Put your clothes safely to soak in Chipso's soapy rich suds. Leave worries and rubbing behind you. Dirt floats out in Chipso suds. Chipso does a man-sized job on your heavy wash . . . soaks dirty towels and greasy work clothes good and clean!

Remember what hard-rubbing washdays can do to your hands—they cause rough skin, split cuticle, spoiled manicures! Then see the change when you soak your clothes clean in Chipso—smooth skin—smooth cuticle—pretty hands!

Chipso is safe for silks and wools . . . that's how safe it is! Gives you snowy clothes! Marvelous for your hands! Chipso certainly belongs in your dishpan, too!

SPECIOUS PROMISES!

After hearing most of the Democratic speeches in the present campaign, a thinking citizen is forced to the conclusion that the only thing that party offers the voters is promises. If the promises were specific, if they offered a solution of any of the pressing governmental problems now besetting us, if they suggested, even by inference, a logical way out of these difficulties, then there might be some reason for heeding them.

Analyze any one of their campaign speeches and you find it full of specious promises. Franklin D. Roosevelt said that if he were elected he would cut a billion dollars from the budget. Not even Walter Lippman, syndicated editorial writer who is supporting Roosevelt, could swallow that one, and he ridiculed the statement as being silly. Dudley Field Malone, one of the best known Democrats in America declares for Herbert Hoover because of the specious promises made by Roosevelt.

In every promise he has made Roosevelt has qualified his promise with statements that destroyed what little hope the original promise might have held. The whole Democratic campaign is based on ambiguity, inferences, innuendoes and bombast.

Herbert Hoover has been at the helm of government during the most critical period in this nation's history. The ship of state is gradually lifting from the rocks of depression. Will you change the pilot now with the ship passing through the treacherous waters of readjustment?

These are serious times and require capable men in high places. It is no time to experiment, to vote for unsound theories, to attempt to place the helm in the hands of a man who has shown himself incapable of handling it.

Keep the Ship of State steady by voting for Herbert Hoover for president.

Senior High School News

Fire Gongs Send High's Students On Exit Dash

Fire drills don't come often at the senior high school but when they ring out the students snap to it—and 2,010 of them marched to the streets in the record time of two minutes on Thursday. Four sharp gong sounded at 2:20 p. m. and at 2:22 the building was vacant.

While Principal Frank L. Orth and his faculty were notably pleased, standard five drill scales indicate a few seconds more could be eliminated from Thursday's marching time. However, the drill alarm came just as the scheduled seventh period bells were due and slight confusion momentarily slackened the line of march.

The small city of seniors, juniors and sophomores, with post grads and others at the school, walked rapidly but orderly from 59 classrooms and four large study halls from the four floors of the school. Exits at all corners of the building were used.

"That's the first time we've signalled a fire drill during the seventh period," Mr. Orth commented, "and it certainly shows the classes can organize well."

The students had never before been called to march out from the particular rooms they were studying in.

English tests, history discussions, math recitations and gym work were forgotten as the four distinctive gongs pealed, but when a fire drill comes the classe, under their teacher's guidance, instantly begin a march. They did that yesterday.

State fire code requirements call for a drill each month, and Principal Orth's schedule lives up to it. An efficient fire drill system is followed in case an emergency should arise.

"One doesn't figure just how many students we have here at senior," concluded Mr. Orth, "until they see one of our fire drills." There were no fire officials present to view Thursday's march.

After a moment's rest outside, the students returned to their classwork.

PICK "NE-CA-HI" STAFF

Hunting for a thrill? Then visit room 112 during nine period some day, and you will be amazed at the activity displayed. This is the busy headquarters of the Ne-Ca-Hi annual staff which is composed of a number of energetic and enthusiastic students.

Once each semester the members of the senior A class present the history of its members in a publication called the Ne-Ca-Hi annual. This papér is now in its infancy, but just watch for the finished article.

The editor-in-chief, Sam Gaston, and the following assistants compose the literary staff: Jane McKinney Allen, Gertrude Graham, Sara McKee, Mary Johns, Eugene Moffatt, Robert Parks and Clyde Shannon. On the art staff are William McBurney, editor; Madelyn Nicholson, Kimmel Barbour, George Robertson, Ruth Stewart and Marion Wardman. The business staff consists of Eugene Moffatt, manager, and Robert Parks, bookkeeper. On the news staff are Robert Snyder, Edith Ziegler and Lois Marion Smith. These students' main ambition is to make the annual this year better than any previous publication.

CHAPEL STIRS ROOTERS

Roused to a fighting pitch by the kindled enthusiasm of the student body the Ne-Ca-Hi football team is out to win another football game.

Mr. Gardner had charge of the assembly and he departed from the routine in the type of program presented. He called various people to the stage and asked them questions concerning athletics. Students, faculty, principal, football players, all were included in the list of questions. After this part of the program was over Stephen Babovskey led the group in cheers and songs.

MODEL ELECTION NEARS

New Castle voters are not the only ones interested in the big political problems of the day.

The problems of democracy classes under Miss Elsie Calvin are grappling with these same problems, and show as much enthusiasm as any public official. Their main study in the past week has been the choosing of the agents of government. They have fine-combed the whole election system and have discovered some amazing defects.

In order to get a more practical understanding of this problem we are holding a model registration and election. On November 8 a regular polling booth will be set up and student judges, inspectors and clerks will have charge.

Of course before an election a campaign must be held. Thursday was campaign day at high school. Student volunteers presented very convincingly the platforms and history of the six parties and the record of the candidates before an assembly of senior A's. Speakers who took part in this program were Carl Cummings, Republican; Leo Gensante, Democratic; George Reynolds, Socialist; Gilbert Levine, Industrialist or Social Labor; Nettie Mann, Prohibition; Ruth Garrity, Communist. In addition to these Sam Gaston presented an account of the Young Republicans, to show what the young thinkers of the day are accomplishing. They are interested in the outcome, because of the intensive study of this problem, of the election on November 8.

PLAN SINGERS' BENEFIT

The choral department of senior high school will enjoy Saturday evening, November 19. They have made arangements for a party in the Y. W. C. A. gym at 8 o'clock.

The combined committees are:

Marian Wilkison—manager—Sam Dennis.

Ruth Miller—librarian—Jack Muse.

Mary McAuley—secretary and treasurer—John Phillips.

The success of the party will determine the increase of the funds of the glee club adn chorus.

OHIO TEACHERS CALL

Several visiting teachers were observing classes in the senior high school on Friday, October 28.

The schools were dismissed in Ohio, October 28, so that those who teach in Ohio could attend a convention at Cleveland for the eastern Ohio instructors, or the alternative was visiting a chosen school and observing class procedure.

PASTOR-ARTIST SPEAKS

For the first time in many moons the art department has been represented by an assembly program.

The speaker was Dr. B. T. Duncan, artist-evangelist, who entertained the group with an allegorical art sketch and a highly instructive lecture.

With the school orchestra playing a haunting melody, Mr. Duncan sketched the picture of a young college graduate kneeling beside the Rock of Ages and praying to the Cross to give her faith with which to meet the troubles of life, the latter illustrated by the turbulent ocean.

In his ensuing lecture Mr. Duncan showed the developments in American art and prophesied greater development before many years.

The student body was very appreciative of Mr. Duncan's ability and wish to extend to him their thanks for appearing before them.

FRENCH CIRCLE MEETS

"Le Cercle Francais" met Ocotber 31, third period. Gilbert Levine presided as president of the club and Mary Johns as the secretary.

Each member responded to the roll call with an original recitation delivered entirely in French.

The program included a dialogue by Rex Rowland and David Lerner, songs led by Ruth Schnebly and a short French story read by Miss Kelly.

The meeting was adjourned at the end of third period by the president.

Agency Boards Of Chest Meet

Discuss Ways And Means Of Securing Higher Amounts For Agencies

Members of the board of directors of the different agencies in the Community Chest and the Mayor's Relief Committee, met at The Castleton last evening, to discuss ways and means of securing increased amounts from contributors.

Cards were distributed to the directors of these institutions and they will solicit some of those who have refused to give in the hopes of securing additional amounts for the Chest.

The idea presented last evening was a new one in Community Chest work here.

Correct this sentence: "Yes, he told me he had suffered much more than I," said the sick man, "but I felt no urge to hit him."

Gerson Says Success Due To Advertising

Jack Gerson, New Castle Jeweler now celebrating his 10th Anniversary, attributes a large part of his success in business to "consistent truthful newspaper advertising."

Back in 1922, Jack Gerson started in business in a small way, but with a tremendous determination to grow; with big ideas how to please; a well conceived plan to do things in a straight forward way; to build courtesy into the foundation of service; to handle nothing but quality merchandise; to sell at the lowest possible prices, and to establish terms to suit the buying public.

Today, Mr. Gerson is proud of the success he has made. In addition to his thousands of satisfied customers in New Castle, Lawrence county and surrounding territory, many are to be found in all parts of the world, reaching as far as Egypt.

Jack Gerson has been a consistent advertiser in The News since 1922 to which medium he gives a major part of the credit for his business success.

Since 1923, every new born baby whose birth appeared in The News, received a baby ring from Jack Gerson. To date, the number of baby rings mailed out total more than 8000.

Gerson says, "Quality merchandise, attractively priced and presented to the public truthfully in newspaper advertising, has been, and will continue to be, the policy of 'the little store on the corner doing a big business on the square.'

Mr. Gerson believes that a great revival in every line of business could be started here in New Castle if merchants would advertise more extensively, and back up these advertisements with dependable merchandise and real values.

Rheumatism Goes Swollen Joints Vanish

PAIN EASED FIRST DAY

If you suffer from crippling rheumatic aches and pains, Neuritis, Lumbago, lame knotted muscles, swollen inflamed joints, it's because your system is full of the irritating poisons that cause rheumatism.

What you need is RU-MA, the new internal medicine that acts on the blood, liver and kidneys, and helps expel these dangerous poisons from the system through the natural channels of elimination. Only an internal medicine can do this.

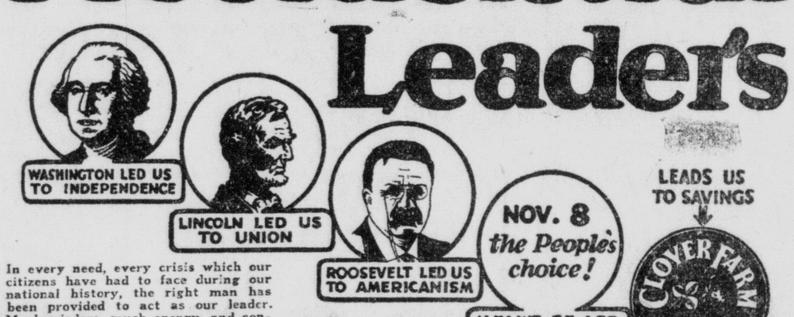

No long waiting for your suffering to stop—RU-MA eases pain first day and gives rheumatic sufferers such safe and lasting relief from their stiffening, crippling lameness and torturing pain that it is recommended by druggists everywhere.

Eckerd's and New Castle Drug Co. urges every sufferer to get a $1.00 bottle of RU-MA today, and agrees to return the purchase price if it does not free them from all their aches and pains of rheumatism.

Mushroom Tests Are Misleading In Some Cases

One In Every Five Species Of Mushrooms In State Are Poisonous

POINTS OF SAFETY ARE GIVEN NOVICE

HARRISBURG Nov. 4—The summer drought, the recent heavy rainfall, and the warm fall weather have combined to give Pennsylvania one of the largest mushroom crops in the history of the State with a consequent flood of inquiries about how to tell the edible from the poisonous species, according to officials of Pennsylvania Department of Agriculture. Unfortunately, scientists have not discovered a reliable means for the average person to use in detecting the poisonous forms of this unusual family of fungi.

In Pennsylvania there are probably over 500 species of mushrooms and of this number approximately 100 may be classed as poisonous or causing ill effects depending upon the quantity eaten.

Poison Factors Differ

The poisonous factors in various species of mushrooms differ in their character and in the nature of their poisonous action. In some groups this element is "phallin," which when taken into the human body even in the most minute quantity, dissolves the red corpuscles in the blood. In other species the troublemaker is "muscarine" which effects the digestive system. Still another poison is "choline" which is not particularly troublesome until it unites with oxygen as the mushrooms begin to decay.

None of the commonly supposed sure tests for the poisonous group, popularly called "toadstools" are reliable, according to M. C. Strausser, assistant pathologist of the Bureau of Plant Industry. This includes the silver spoon test, the peeling test, and the color test. Mr. Strausser said, however, that the following guiding principles should be followed by every inexperienced person gathering mushrooms in the field: (1) Never collect for food purposes, mushrooms in the extreme early stages of development: (2) Eliminate all mushrooms which have bulbous and cup-like structures at the base of the stems; (3) Avoid mushrooms which change color when bruised: (4) Do not collect worm-eaten, over-mature specimens: (5) Beware of all mushrooms having a bitter or acid taste. The tasting should be confined to a small portion of the cap and this portion should not be swallowed: (6) Reject all species which secrete a milky or colored juice: (7) Discard all specimens which are tough and leathery, and especially those with a thin, brightly colored cap.

The death toll taken in mushroom poisoning is usually confined to a certain group known as the Amanitas. Most of the mushrooms of this group are deadly poisonous. This group is detected by having a bulbous and cup-like structure at the base of the stem. They are extremely beautiful plants. Common in this State, is the pure white Amanita phalloides known as the 'death angle" and Amanita muscaria the "fly mushroom," which has a brilliant yellowish orange cap with scattered lighter colored scales on it. The uninformed mushroom gatherer should keep these two types in mind and be ever on guard to avoid them.

Thumbers Annoy Many Motorists

Considerable Complaint Is Being Registered Against Practice

The habit of many people to seek to secure a ride in a passing motor vehicle by thumbing the direction in which they desire to go is proving annoying to many motorists on the various thoroughfares running to and from the city to other points.

As it is against the law and also dangerous to pick up every person who is seeking transportation in this manner, the motorists are for the most part passing up those seeking rides in this manner.

The greatest number of thumbers are to be found near North Jefferson street and Wallace avenue, along Butler avenue and East Washington streets.

Republican Rally At Pulaski Tonight

There will be a Republican Rally this evening in the Methodist church at Pulaski. Special speakers will be present from New Castle and discuss the pertinent issues of the present campaign. Efforts are being made to have a record attendance of the voters of the Pulaski district present at the meeting.

The meeting will start at 7:30 p. m.

ELKS WILL GATHER FOR ELECTION STAG

What is Cross Blending?

an Artist

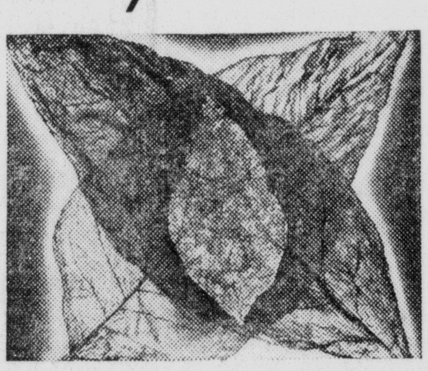

might explain it *this way...*

"Let's say you're painting clouds. You've got your primary colors here on the palette. But you haven't the *clouds* until you blend certain colors into the special tone you want.

"This is very much what happens in making a good cigarette. And I gather that what Chesterfield means by Cross-Blending is what an artist does with colors. Their Domestic and Turkish tobaccos—many varieties of each—are the primary colors. They blend and *cross-blend* these tobaccos until they get the special tone they want—in other words, the Chesterfield flavor.

"And just as each color you use acts on the others to change and enrich them, so each Chesterfield tobacco partakes of the fine qualities of every other.

"You 'weld' different kinds to get a better kind. That's Cross-Blending!"

BANDIT GANG EVADES CAPTURE BY POLICE

Futile Search For Bank Yeggs At Marienville

Posses, State Police And Others Hunt For Six Bandits In $7,500 Robbery

MIXUP OCCURS IN DIRECTIONS

(International News Service)

MARIENVILLE, Pa., Nov. 4.—Armed with shotguns, state police and posses of citizens today continued what appeared to be a fruitless hunt for the gang of six bank bandits who robbed the Gold Standard National bank of $7,500 here yesterday after holding four persons captive all night.

Searchers had meager descriptions of only two of the men, the pair which forced their way into the second floor apartment of Fred R. Johnston, cashier, who lives above the bank, tied him, his wife, daughter and her boy friend, and stood guard over them all night.

The bandits had had at least an hour's start by the time the alarm was sounded and state police arrived. Witnesses disagreed in what direction the bandits had fled but police expressed the belief they fled into Ohio.

Turn To Hunters.

Kane, Pa., Nov. 4.—Suspicious of the circumstances surrounding the theft of $7,500 from the Gold Standard National Bank at Marienville, state police from the Kane sub-station today turned to hunters inhabiting forest camps for a solution to the hold-up.

Police believe the six bandits established themselves in a camp or tent near Marienville when the hunting season opened in this state three days ago. Disguised as hunters, the sextet could mingle with the townspeople of Marienville and obtain the knowledge displayed in the execution of the robbery.

Because this section is without a net-work of roads, which would enable the bandits to make a clean get-away, police were convinced the robbers sought refuge in the woods until patrols are withdrawn from the highways.

Student Nurses To Be Coached In Basketball

Last Chance To Register Saturday

About One Hundred And Fifty Have Registered At Commissioners' Office

Time limit for the registration of voters at the county commissioners' office expires tomorrow at noon, according to County Commissioners' Clerk William A. Eakin. Around 150 persons have been registered at the commissioners' office since the last day for personal registration in the city. Those who have been registered are persons who were away from the city on the three registration days, or those who were prevented from attendance by illness or other causes.

Most of the ballots for country districts have been distributed. The balance will go out tomorrow, and on Monday morning county commissioners will begin the distribution of ballots in this city.

Firemen Loyal To Chest Fund

City firemen have proven their loyalty to the united mayor's relief and Community Chest fund campaign by subscribing $670.28, it was stated by Fire Chief H. Clare Stockman this morning.

The firemen were among the first group of city employes to complete their solicitation, and were practically 100 per cent in their contributions, giving one per cent of their wages.

ADDIE GETS HER MAN.
(International News Service)

DENVER—"Aunt Addie" Elizy Tucker, 77, came all the way from Barry county, Missouri, to Denver and got the man alleged to have robbed her brother, "Uncle Billy" Louis, of $7,000. He is Charles J. Trease, who, "Aunt Addie" declares, is one of three men who held her up and looted a trunk of "Uncle Billy's" fortune.

Organization Is Effected At New Bedford To Assist In Coming Drive

Friends of the American Red Cross in the New Bedford district, met in the home of Wylie Cooper in New Bedford last evening, when an organization was effected to assist in enrolling members for the Red Cross in that community during the annual roll call period starting on Armistice Day.

F. S. Brenneman, roll call chairman, and Executive Secretary Orville Potter addressed the gathering and told of the great amount of additional work which has been done in Lawrence county this year thru the National Red Cross, the present emergency equalling that which was met by the Red Cross during the war.

This year, as never before, the Red Cross is in need of ample funds to continue the work during the coming winter, and this fact was impressed on those present.

A splendid organization is being built up at New Bedford to carry on the drive there.

This afternoon at 4 o'clock a meeting will be held in Bessemer, another being planned at 7 o'clock in the home of John D. Pattison on the Youngstown road of Union township workers, and another at Hillsville at 8:15, which will be held in the school building.

Alice Longworth Calls Democrats Unfair, Dishonest

T. R.'s Daughter Attacks "Shifty Sadie" Methods Of Hoover's Opponents

CINCINNATI, Nov. 4.—Mrs. Alice Roosevelt Longworth in a Republican campaign speech last night declared the "'Shifty Sadie' methods of our opponents reveal their low opinion of the intelligence of the people whose vote they are striving to capture."

The daughter of the late President Roosevelt and widow of Speaker Longworth, in an advance text of her radio talk given out by the Republican National committee, also said:

"I should think they (the Democrats) would be mortified by the concentrated and continuous propaganda designed to persuade the people that Mr. Hoover produced the depression and by his actions or inactions has prolonged it.

"I have seen many instances of unfairness in political campaigns, and I do not suppose that anyone with any knowledge of politics expects scrupulous fairness in the heat of a battle for the presidency.

"Unscrupulous Dishonesty"

"However, so far as I can recollect, the three-year effort of the Democratic party to saddle Mr. Hoover with complete responsibility for everything that has happened since 1929, takes first rank among samples of conscious and unscrupulous partisan dishonesty.

"The second thing that I think will stand out when we look back on this campaign is the amazing way in which the Democrats have ignored their own record. . . .

"When you consider this record, the promises and pledges that they now make with such prodigal abandon for campaign purposes seem fantastic and absurd. . . .

"This year we face a test. Are we truly free—free from prejudice, from resentment, from blind bitterness? Free within ourselves to cast our vote with patriotism, with intelligence, with faith? If we are, we will vote for Herbert Hoover."

Tell How To Secure Domestic Bliss

(International News Service)

PITTSBURGH, Nov. 4.—Praise for accomplishments, a thorough understanding between husband and wife, and the total absence of nagging are three essentials to domestic bliss in the opinion of two Pittsburgh judges and a veteran actress.

Judge Sarah Soffel of Juvenile Court, and Judge M. A. Musmanno of the Non-Support chamber, reached these conclusions after listening to the woeful tales of broken-hearted women, men, and children. Ella Ethridge, the happily married actress, obtained her philosophy of life from 21 years' experience on the stage.

"Broken marriages date back to the days before marriage because either the man or woman is unprepared," Judge Soffel explained. "The woman usually has had no education in her duties and rights as a wife.

"If a wife desires to keep her husband, she should be sympathetic, understanding, courteous, and live within his income."

From his experience on the bench, Judge Musmanno is convinced the wife should keep before her husband the picture of the man he holds an ideal.

"The ideal may be forgotten, but nevertheless it exists," the jurist warned. "To save herself, the wife must encourage her husband and occasionally praise him in his efforts to bring back the forgotten ideal."

"Despite the glamour of the stage, Ella Ethridge and Sam Flint, her husband, are considered 'a novel pair in the theater.'"

"To keep their husbands, women should understand them, and retain their temper when that of their husbands is shattered," she advised. For those in the theatrical profession she recommends the rejection of big offers especally when they will separate man and wife.

O. R. C. Auxiliary Elects President At Dinner Meeting

Mrs. Ralph Allen Is New President Of Railroad Conductors' Auxiliary

City hall yesterday afternoon was the gathering place for members of the ladies' auxiliary to the Order of Railroad Conductors. They enjoyed an anniversary dinner, followed by a business meeting and election of new officers. The meeting was well attended.

Arrangements were in charge of a committee of three members—Mrs. Thompson, Mrs. Fred Flowers and Mrs. Joseph Frew.

New officers chosen are:

President, Mrs. Ralph Allen; vice president, Mrs. E. L. Foster; secretary, Mrs. William McGrath; senior sister, Mrs. H. J. Bird; junior sister, Mrs. Roy Clark; guide, Mrs. C. M. Armstrong; correspondent, Mrs. M. R. Olmstead; chairman of executive committee, Mrs. Fred Flowers; first member, Mrs. Joseph Frew; second member, Mrs. H. S. Gillespie; insurance, Mrs. M. C. Morrissey, and musician, Mrs. C. H. Thompson.

Observations In 7th Ward

Frank Byerly calls his new dog "Pat" that being easier to say than Cleopatra. She adopted her present home of her own accord..... Didn't see many bunny tails yesterday and only one squirrel tail. The squirrel tail rested in the window of the seventh ward fire department .....A new tree is sprouting on the Mahoning school lawn to replace the one blown down in the severe storm of last summer.....Street lights were given a bath Thursday afternoon....."Match guns" are latest toy popular with the boys here. They are loaded with matches and when discharged the matches usually ignite when they hit a rough surface.

CLEAR RAILROAD GROUND

Frame buildings located along Plum alley between North Liberty street and North Ashland avenue, are about completely removed from the P. and L. E. property. Only a few boards remain to be dismantled and carted away. The property will be leveled with Plum alley, the cellars filled and will be used as a driveway for the P. and L. E. and B. and O. stations.

MISSIONARY MEETING

Mrs. Walter Wilkins, Youngstown road, entertained members of the Women's Missionary Society of the Madison Avenue Christian church Thursday afternoon. Mrs. Ada Robinson was in charge of the program.

A short business meeting was conducted, followed by the serving of a lunch by the hostess.

AT YOUNGSTOWN TODAY

The following women of the Madison Avenue Christian church are going to Youngstown this afternoon and evening to attend the district meeting of missionary societies in the Central Christian church of that city.

Mrs. Walter Waid, Mrs. Roy Franklin, Mrs. R. G. Clark, Mrs. Ada Robinson, Mrs. C. H. Clark and Mrs. John Bevan.

FIFTEEN ATTEND

Mrs. Jack Conn, of North Cedar street, entertained fifteen members of the Home and Foreign Missionary Society of the Mahoning M. E. church, at her home Thursday afternoon.

Mrs. Q. E. Davy was in charge of the foreign study book and Mrs. C. E. Arble was in charge of the home study book.

The next meeting will be in the form of a tureen dinner during the noon hour of Thursday, December 1.

McCOY CLASS MEETS

The McCoy Bible class of the Mahoning M. E. church had a pleasant evening Thursday at the home of Mrs. Merle Adams, West Madison avenue. A short business meeting was followed by a social time during which a delicious lunch was served by Mrs. Adams.

SEVENTH WARD PERSONALS

James Mattis, of Lacock street, left on Wednesday for a stay in Youngstown, O.

Joe Melchiorre, Jr., of Darlington avenue, who was very ill, is much improved and is able to be around again.

Parents Invited To Visit School Education Week

American Education Week To Be Observed All Next Week At Mahoning

American Education Week will be observed at the Mahoning school and all parents and interested patrons are urged to visit the building during November 7 to 12. They are welcome to come anytime during school hours to see the students at work.

Primary grade work will be emphasized on Tuesday, intermediate grade work on Wednesday, and Thursday, junior high grades.

LIBERTY TEAM WINS

A fast Penn-Beaver tenpin team was another victim to the Liberty bowlers Wednesday night. The Liberty team came out ahead in all three games and had a total score of 2666 to Penn-Beaver's 2595. Those in the local team were Cangey, Robinson, Gilmore, Dixon, Harmon and McIlwain.

Franklin team from Aliquippa will meet the local team here next Wednesday night.

BIRTH ANNOUNCEMENT

Mr. and Mrs. James Matteo, of 502 North Liberty street, announce the birth of a son on Saturday, October 29, weighing 12 pounds.

TRIM UP WALKS.

The pathways through the seventh ward park were trimmed up Thursday by city workmen. They found many of the paths to be partly grown over with weeds and grass.

Cinders which had fallen onto the park from the Baltimore and Ohio railroad bed, have been assembled in a huge pile and will be hauled away soon.

Coyote Is Killed In Pennsylvania

Clucken Killer In Somerset County Proves To Be Unusual Animal

(International News Service)

HARRISBURG, Nov. 4—A few weeks ago, W. W. Cupp, one of the state's dog law enforcement agents, was called to a Somerset county farm to solve a puzling case of chicken killing. He investigated and concluded the damage was not caused by a dog even though the farmer thought so.

Cupp advised the owner of the dead chickens to keep a close watch about the poultry yard and to have a gun handy for quick action. Several days later, the farmer saw a most unusual animal in his wagon shed, ran for his gun, and succeeded in shooting the intruder. Neither the state official nor the farmer could identity the animal definitely. The pelt was sent to the state game commission and it was identified as a coyote.

The commission has records of five or six coyotes being killed in Pennsylvania during the past two years, and explains that for some reason these animals seem to be living in the wild state in different places in Pennsylvania.

Bolshevism doesn't seem so awful when 40 cars pass you unfolested and then a cop gets you for speeding.

First Christian Services Continue

Throughout the past two weeks the First Christian church has been filled each evening to hear Dr. G. S. Bennett expound the scriptures in the series of evangelistic services and Thursday evening his subject was "Some Blankets" which took up the theme of coverings for sins.

This evening he will speak on "Is Christ Divine' and his sermons Sunday morning and evening will bring the services to a close.

The special music by the chorus choir Thursday evening was especially inspiring.

Co-Eds Declare That Leap Year Is A Flop

(International News Service)

PITTSBURGH, Nov. 4.—"Leap year is a flop!"

That's the chorus being sung by the co-eds at the University of Pittsburgh. Maybe the depression is responsible for a decrease in the marriages and elopements on the campus in 1932. Then again, maybe the girls are becoming too timid and shy to propose.

But the fact remains that in the consensus of opinion, leap year is just another thing in the life of Pitt's co-eds. Any time is the time to fall in love, so why can't the girl propose at any time, they ask.

"I tried nabbing my man but the mean old thing revived an old custom in return for my affection," pretty 19-year-old Gwen McHenry of McKeesport lamented. "He did what the beau brummels of yesterday did when they refused a proposal. He bought me a white dress, the ancient method of saying 'no'."

Leap year hasn't been any help to Elaine Blauvet who can do "just as much in the other three years."

Meme McCoy, editor of the college set for the Pitt News, finds it difficult to keep "the fellows quiet at any time."

Maxine L. Christensen, a sophomore member of the staff of Panther, humorous publication, called the ancient practice a good idea "if it worked, but it doesn't."

WESLEY LEAGUE SPECIAL MEETING

Members of the Epworth League of the Wesley Methodist church are having a special service Sunday evening at 6:45, when the subject will be "What The Parties Propose."

Jack Grittie will be the leader for the evening and there will be three special speakers.

Alexander Butleroff, Russian chemist, made the discovery of the socalled tertiary alcohols.

ALLEGES BALANCE IS DUE ON WAGE CLAIM

S. R. McCormick has filed a suit at the prothonotary's office against Charles R. Kelley, in which he seeks to recover from the defendant a balance of $309.28, alleged to be due on wages. McCormick says that Kelley employed him to work around his undertaking establishment in December 1930, at $10 per week. He worked until October 15, 1932.

Good Citizenship Is Sermon Subject

Sunday night in the First Presbyterian church, Dr. Walter E. McClure will preach a sermon anticipating the day of election. He has announced for this theme: "A Christian on November 8." This message will deal with such questions as, Should a Christian Vote? Is It Worth While? Will the Election End Depression? Should the 18th Amendment Be Repealed? What Does the Bible Teach Regarding Citizenship? Will the Socialists eventually Come Into Power?

The senior chorus choir will sing Sunday evening, and one week later the High School chorus will lead in the song service. At the morning service, the sermon will be on the theme: "The Grand Old Man Of The Gospels." A sermon about Simeon, and Christ being presented in the temple.

America takes the credit, but the use of heat to make a permanent wave seems to have origination in Africa.

Put more SUNSHINE days on your calendar

How many days in the month do you feel your best? You can add to these sunshine days by simply obeying nature's laws.

The first of these laws is regular elimination. Avoid common constipation by eating a delicious cereal.

Tests show Kellogg's ALL-BRAN furnishes "bulk" to exercise the intestines, and vitamin B to help aid regularity. ALL-BRAN also contains twice the iron of an equal weight of beef liver.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. How much more pleasant than pills and drugs—so often habit-forming.

Serve as a cereal or use in cooking. Directions on the red-and-green package. At all grocers. Made by Kellogg in Battle Creek.

Raises Only Ton Litter In County

C. F. Leonhart And Son Of Slippery Rock Get State Recognition

To C. F. Leonhart and son of Slippery Rock go the honor of raising the only ton litter of pigs in Lawrence county this fall, which will receive recognition from the state.

They entered their litter of nine Berkshire pigs in the state contest six months ago, and at the end of the 180-day period their litter was found to weight 2,021 pounds.

They fed a balanced ration of four parts corn, three parts oats, two parts middlings and one part fish meal. Toward the end of the period they fed additional corn.

Mr. Leonhart is now in the hospital suffering from severe injuries sustained in a fall from an apple tree. He suffered a dislocation of the shoulder, broken arm and broken pelvis.

While others may have raised ton litters, they were not entered in the state contest.

Dinner Plans Near Completion

Dr. John A. Entz Of Slippery Rock Is Chairman Of Entertainment

Plans for the Consistory Dinner program, which will be held on Tuesday evening, will be completed today, General Chairman William J. Moffatt announced today.

Dr. John A. Entz of the Slippery Rock State Teachers College has been named chairman of the program committee and will complete his arrangements for this part of the program today.

The affair, which is the first of the fall season, will be in the nature of an Election Return Dinner and Party, arrangements having been made to get the election returns by telephone, telegraph and radio. Later in the evening, cards and dancing will be enjoyed.

Reservations for the dinner must be made tomorrow, the committee announced today. Each Consistory member will be given the privilege of bringing along two invited guests besides immediate members of the family.

FINAL STAGE IN FUND CAMPAIGN IS NOW REACHED

(Continued From Page One)

was a time of depression, that this should be a helpful factor, in that it would force the relization upon people that their help was needed more than ever. He stated that he has found this to be the case, and felt that it has put an agreeable atmosphere into the campaign.

With most of the big contributions now in, he said that he felt that what was now needed was a greater number of smaller contributors, and showed how people, even though giving but a small amount each month, in the end would give a substantial sum.

Mrs. Marcus Feuchtwanger, who is city production chairman of the Red Cross Garment Committee, told of the extreme need she has found in going about her duties into the various places where these garments are being made.

"I see the absolute necessity of this campaign going over far more than the most of you people do," she said. "I hope that more will feel this necessity and give accordingly."

Miss Jeannette W. Hutton, register and recorder, who has been chairman of the team soliciting the county employes was next called upon by Mr. Dickey.

Miss Hutton stated that she has enjoyed working in this campaign, more than any yet held. "We in the county offices are being continually told by the grand jury officials that we are making too much money, but when funds of any kind are being solicited, they never miss us," she stated.

She said that the county offices had willingly given and were now 100 per cent, not one county employe refusing to contribute.

BADGER IN CONNECTICUT.
(International News Service)

NEWINGTON, Conn.—Badgers may be common animals in western states but none, so far as old residents could recall, had ever been seen in Connecticut until Otto Bachman espied one in his barn here.

The final G. O. P. hope is that the boys got the group out of their system by voting in the Digest pool.

Never mind. Farm land prices will go high enough the first time poison gas bombs drop on a city.

Increase Milk Allowance For Aid In County

Lawrence county's allotment of milk for needy school children has been doubled for November, according to Miss Grace Ackerman, state nurse in charge of the milk distribution. The county has been getting 4000 pints daily for distribution. This has been increased to 8000 pints which means that just twice the amount of work can be done that has been done.

Milk distribution stations have been established in the following schools in New Castle: Lincoln-Garfield, Terrace, Mahoning, Croton, North Street, West Side. In the county, stations have been established in Hillsville, Park Gates, Wampum, Shenango Township Consolidated, and the following will be opened on next Monday morning. Bessemer, West Pittsburg, Chewton and Ellwood City.

More stations will be opened as arrangements are made to authorize dairymen to furnish the milk and by the middle of this month the entire county is expected to be covered.

The children get a pint of milk for each day in the week, including Saturday and Sunday. The milk is delivered to the schools and the school teachers in turn distribute it to the children.

Unemployed Man Is Found Dead

(International News Service)

ERIE, Pa., Nov. 4.—Ferdinand Koos, 45, unemployed, of Erie, was found dead from exposure in a baseball park here today.

Koos left home yesterday in search for a job. It is believed he became ill and lay down in the field to recuperate.

Find Pittsburgh Youth Missing From Sick Bed

Scion Of Prominent Family, And High School Athlete, Strangely Disappears

(International News Service)

PITTSBURGH, Nov. 4.—William Westenberger, 3rd, high school athlete and scion of a prominent Pittsburgh family, disappeared from a sick-bed at his home here today, his parents informed police.

The youth's disappearance was discovered several hours after his mother, Mrs. William Westenberger Jr., had gone to his room and found him sleeping.

The father could give no explanation of his son's disappearance other than he may have become delirious or suffered a nervous breakdown. The boy had worried considerably after being knocked unconscious in a hold-up last July, the father told police.

Judge Patterson Is Speaker Today At Hollidaysburg

(International News Service)

HOLLIDAYSBURG, Pa., Nov. 4.—Judge Marion D. Patterson of Blair county welcomed 150 delegates at the opening session of the 59th semi-annual meeting of the association of Trustees and Medical Superintendents of the Pennsylvania State and Incorporated hospitals for mental diseases here today.

Addresses were to be given by S. F. Gilpin, Philadelphia; George T. Baskett, retreat; J. Allen Jackson, Danville; and Mrs. Alice Liveright, Harrisburg.

Secretary Chapin Urges Retention Of Herbert Hoover

Only Sensible Thing To Do Is To Support Hoover For Re-Election

(International News Service)

PHILADELPHIA, Nov. 4.—Although there is already substantial evidence to prove that economy recovery is on the way still more encouraging returns will be noted by mid-winter, was the prediction left with Philadelphians today by Secretary of Commerce Roy D. Chapin.

Chapin voiced his forecast of better times at a meeting of the Foreign Trades association of Philadelphia last night.

"The only sensible thing that the American people can do is to retain Mr. Hoover for four more years," he added.

Very Good Record Earned In City

Only One Truck Scale Found Incorrect And Condemned

Only one scale was found incorrect and condemned during October according to the report of A. Reid English, sealer of weights and inspector of measures for the city. It was only necessary to make 12 adjustments of all the examinations made of scales and measures.

He examined 18 truck scales, 16 platform scales, three counter scales, one spring balance, 10 beam scales; 40 computing scales, nine even balances, 318 liquid measures, 44 gasoline pumps and 104 packages.

Vandals Ransack Slippery Rock's Summer Cottages

Local Owners Hear Warning; Larger Cottages Entered This Week

Owners of summer cottages along the Slippery Rock creek today were warned that thieves visited a number of the larger cottages this week ransacking them for every possible loot of value and leaving damage in their path.

Officers have been notified of the latest thefts but no clues whatever have been determined.

OUTSELLS EVERY GASOLINE IN PENNSYLVANIA BY MORE THAN 2 TO 1

ATLANTIC WHITE FLASH

What is the reason for the overwhelming popularity of ATLANTIC WHITE FLASH?

Millions of Pennsylvania motorists have tried this and other fuels. Daily they register their preference . . . *by buying more than twice as much* ATLANTIC WHITE FLASH *as any other gasoline.*

Why? What do they find in WHITE FLASH that other gasolines do not have? It's worth your while to discover for yourself; because you'll not only get supreme performance from your car, but you'll save money as well.

Change to ATLANTIC WHITE FLASH for at least two weeks, and make it *prove* its class. Put it through the toughest driving jobs you know. Don't limit it to ordinary tests . . . remember that ATLANTIC WHITE FLASH is a super-fuel, though it sells at regular-gasoline price.

Quick starting, flashing pick-up, smoothly flowing speed, hill-defying power, extra mileage—you'll find them all. And something more! The *something* that makes ATLANTIC WHITE FLASH the favored fuel of Pennsylvania by more than 2 to 1.

A super-fuel at no extra cost

Convention In February

Committee Sets February 17 And 18 For Educational Sessions

LOCAL ELECTIONS ARE ANNOUNCED

February 17 and 18 have been set as the dates of the first convention of the newly formed Mid-Western Section of the Pennsylvania State Teachers Association. The dates were set Thursday afternoon when a meeting of the executive committee was held in the office of President C. C. Green.

The general sessions will be held in the Cathedral and the department and sectional meetings in the senior high school building. There will be three general sessions as follows: Friday afternoon, Friday evening and Saturday forenoon.

The departments will include administration, high school principals, elementary principals, elementary urban teachers, one teacher rural schools, consolidated rural schools and college instructors.

The sectional meetings will include English, mathematics, classical, modern languages, social studies, commercial, biological science, physical science, geography, health education, industrial and vocational arts, home economics, music, art, and library.

The officers for the various departments and sections were elected at the meeting yesterday.

The following local people were elected to various offices: secretary of the high school principals department, F. L. Orth; president of the department of elementary principals, James M. Hughes; president of the department of consolidated rural schools, R. F. Conway; vice-chairman of the classical section, Miss Mary E. Van Divort; vice chairman of the commercial section, Mr. J. H. E. McKenzie; chairman of the geography section, Miss Nannie L. Mitcheltree. The president of the district is Superintendent C. C. Green.

Taxpayers Meet In Union Township

Greenville Man Makes Address At Gathering Thursday Night

With a crowd numbering several hundred in attendance, a meeting of the Lawrence County Taxpayers League was held Thursday evening in the Union high school in Scotland Lane. Candidates for public office were introduced and explained their position in the matter of tax reduction and all of them agreed that some tax readjustment should be made.

The principal address of the evening was made by D. T. Thomas of Greenville, Pa. Mr. Thomas is vice president of the Pennsylvania State Tax Justice League. Such organization was recently formed at a convention held at State College. However, Mr. Thomas has for many years been advocating an organized movement for the revision of our tax laws. He has frequently spoken in this and neighboring states on the subject. His principal contention is that while taxes are a burden and a necessary burden, yet they may be assessed so as to accomplish an equitable and just distribution of the burden on all classes.

The next regular meeting of the league will be held at New Castle, but the date has not yet been fixed.

White To Provide Opinion For Council

Legality Of Continuous Temporary Appointment Of Ross To Be Determined

Thomas Ross was appointed today to serve 10 days as a city policeman when council met in the city building. When D. O. Davies, director of public safety, inquired as the legality of the continued appointment temporarily of Ross, council decided to make the appointment for 10 days and in the meantime Solicitor White will furnish councilmen with a written opinion as to the legality of the appointment.

When Councilman Davies questioned the legality, the mayor said the city solicitor was the proper person to answer the question.

Davies said he had no objection whatsoever to Ross but as the city had just settled the C. S. Mills case he thought it a wise move for council to know what it could and could not do legally, relative to the temporary appointment. Mills, it will be recalled, was elected illegally to the fire department and the city paid as a moral obligation about $1,688 to Mills recently.

P. & L. E. SEES FREIGHT HEAVIER

Road's Freight Business In October Shows Upturn, Stone Says

"A general uptrend has been noted," said Freight Agent W. A. Stone of the Pittsburgh & Lake Erie railroad today, speaking of his road's freight business of October and early November. He said the October increase in tonnage was the first recorded in months.

Railroads of the New Castle district have felt the welcomed upward swing since early October, it was generally believed.

Stone declared that merchandise as well as coal shipments have shown decided increases.

CLAIMS NEGRO TOOK BASKET OF GROCERIES

John Ronan, Jr., of 621 West Madison avenue reported to the police Thursday afternoon that while he was at West Washington street and Greenwood avenue, a negro approached him and took a basket of groceries valued at two dollars from him, which he was taking to his sister.

He described the negro as being tall, real dark complexioned and with a heavy growth of beard on his face. He weighed about 170 pounds and wore dark clothing.

WASHINGTON HEARS GUEST EVANGELIST

Dr. B. T. Duncan, artist-evangelist now appearing at the Pentecostal Assembly of God, spoke Thursday before the George Washington Junior high school students. He sketched one of his many beautiful drawings for the pupils.

The Rev. John Kellner, pastor of the Pentecostal church, who introduced the speaker, conducted the day's devotionals.

Most Of Red Cross Cloth Distributed

Only Few Thousand Yards Of Original Shipment Remain In Stock

Sewing units in the city and county have received 22,474 yards of cotton materials, Mrs. C. J. Kirk, chairman of the Red Cross garment committee, announced today.

A great portion of this has already been made into garments for school children.

Of the total amount, 10,085 yards were distributed to sewing units in the city, while 12,388 yards of material were sent out to different sewing units in the county.

An additional request for 14,000 yards of cloth has been approved and will be received here shortly to supply the increased demand.

But why end the depression if our only reward will be another epidemic of go-getters chasing suckers?

Marino Held For Court At Hearing On Serious Charge

Philip Marino, 29, Youngstown resident was remanded to the county jail for the December term of court by Alderman Wallace J. Ewing this morning, after Marino faced parents of a 19 year old southside girl who accused him at the hearing of violating the Mann White Slave act.

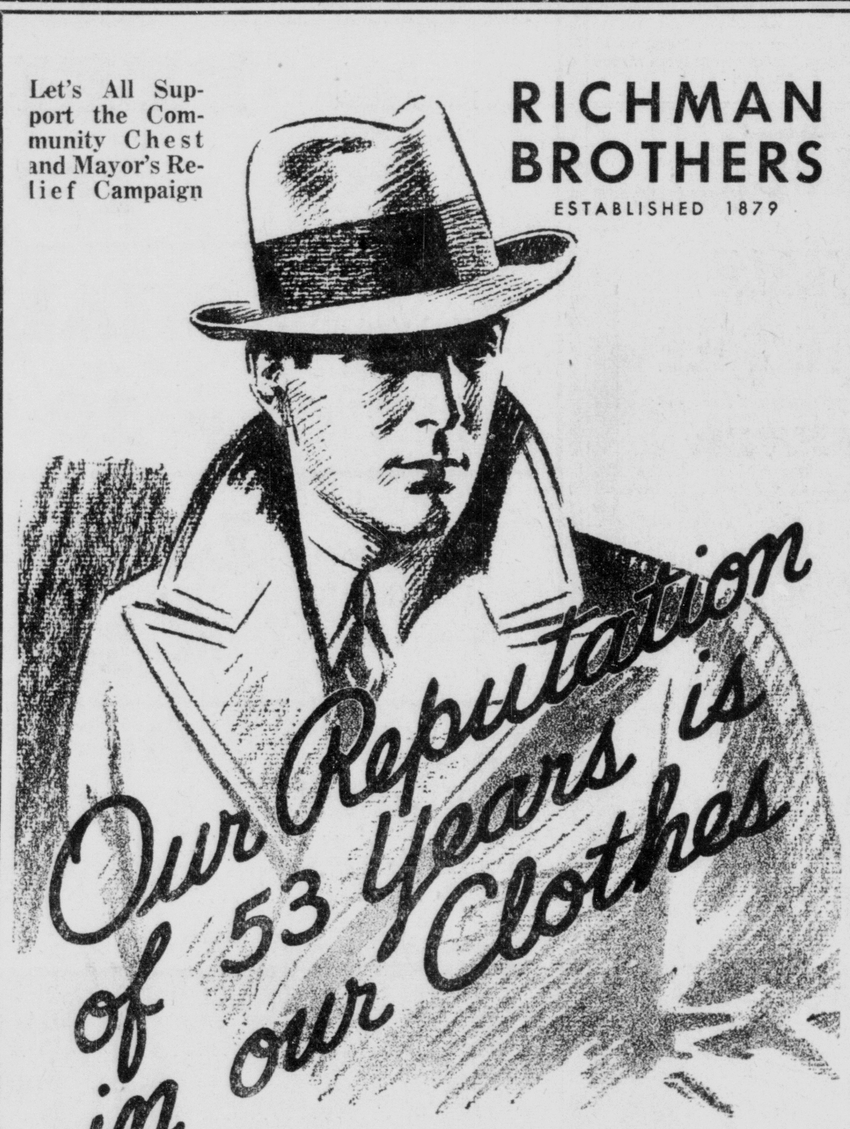

Marino was specifically charged with taking the girl to Youngstown in October and placing her in a house of ill repute for immoral purposes.

WINDOW BROKEN

Mrs. Marshall of 301 Hillcrest avenue reported to the police last evening that members of the household on their return last night found that during their absence some unknown person had thrown a tomato thru a large window in the front part of the home.

Science Adopts State Triplets

American Society Of Genetics Is Making Study Of Serena Trio

(International News Service)

VANDERGRIFT, Pa., Nov. 4—Science has "adopted" the Serena triplets who became nationally famous when their mother, discouraged by poverty, offered them for adoption

The adoption offer was withdrawn by the triplet's father, but the American Society of Genetics has taken an interest in the children and has been given permission to study them.

Hamilton D. Wicks, of Syracuse, N. Y., a member of the society, nas visited the mother of the children—Robert, John and Eleanor Serena—for data about their birth and their life thus far.

The mother also has written a letter to each of her children which will be given them when they leave home. The letter asks them to keep in contact with Wicks and furnish him information he may seek.

Wicks claims that triplets occur only once in 7,103 births and that they are even more rare than that in this country. Quadruplets, he added, occur once in 757,000 births and quintuplets once in 41,600,000 births.

The Senera triplets probably have received more publicity than any other set of triplets ever born. Newspapers all over American and even in France, Germany and other European nations printed the mother's offer of her children for adoption because she was too poor to keep them herself. The father balked her plan by refusing to permit his wife to dispose of the children.

Sabbath School Leaders Gather

Executive Committee Meets On Thursday Night In Ellwood City

The Executive Committee of the Lawrence County Sabbath School Association was invited to hold its regular monthly meeting with the Christian Endeavor Rally at the Bell Memorial church at Ellwood City Thursday evening, and the following members were present:

Robert M. Strickler, Jr., president, Harry W. Brown, vice president, Mrs. M. E. Vaughn, acting secretary, Miss Anna Perry, administrative superintendent, Miss Alice Grimes, Young People's superintendent: Mrs. R. H. Nesbitt, teacher training superintendent, and D. S. Williams and H. L. Marvin, additional members of the Executive Committee

A letter was read from Rev. A. M. Stevenson, pastor of the Ellwood City Presbyterian church wishing to know whether or not New Castle would wish to alternate with them in a Leadership Training School. A committee composed of the county president, Rev. A. M. Stevenson, Dr. G. S. Bennett, Rev. Ross M. Haverfield and Rev. J. Ralph Neale was appointed to consider this and make the necessary initial plans.

Monday, January 23rd was set as the date for the annual Efficiency Conference and the Pennsylvania State Sabbath School Association representatives will be the Leadership Training Superintendent, R. S. Kendig.

Attention was called to the Young People's Conference to be held at the First Christian church, Saturday, November 5th and reports from the superintendents stated that about two hundred young people would be in attendance from all over the county.

It was decided that the next departmental activity would be a Teacher Training activity with the object in view to have as many classes started in the various Sabbath schools of the county as possible.

A brief report was made of the State Convention by the county president and a committee composed of Miss Anna Perry, Miss Margaret Walker and H. L. Marvin was appointed to see if temperance instruction could not be introduced into the New Castle schools and will have a report at the next regular meeting.

All-Association Supper Next Week

Plans Being Made For Big Event At Y. W. C. A. Wednesday, November 9

Mrs. DeLace Cole, chairman, and clubs and committees of the New Castle Y. W. C. A. are working out a program for the All-Association supper which is to take place Wednesday night, November 9.

Partial plans include the singing of a blessing in the Green Room and gymnasium by the Benjamin Franklin and George Washington Girl Reserve Clubs, where the supper tables will be set.

A senior high school Girl Reserve will give a report of the peace conference recently conducted at Geneva. Mrs. William J. Caldwell will lead the group in singing.

Mrs. Carie Jeffrie Roberts, Dr. Elizabeth McLaughry, Mrs. Edward Norris and Mrs. J. B. Love, members of New Castle's first Y. W. C. A. board, will bring greetings to the gathering.

Judges are being selected to award the prize for the table most cleverely decorated. Each group will furnish its own table cloth, dishes, food and decorations. Coffee will be served by the general committee.

All groups are being asked to call the Y. W. C. A. on Monday to give the number of places they will require at their tables.

College Students' Poll Favors Hoover

(International News Service)

COLLEGEVILLE, Pa., Nov. 4.—President Hoover drew a large majority in the recent poll vote taken among the students of Ursinus College.

The Republican nominee received 268 votes against 88 for Roosevelt and 66 for Norman Thomas, Socialist candidate for the presidency. Upshaw, Prohibitionist, polled three, while only a single vote was recorded for Foster, Communist.

A poll of faculty members also revealed a large majority for Hoover. He drew 23 votes, against 6 for Roosevelt and 4 for Thomas.

LOSES JOB, MAKES STRIKE

DENVER—Walter H. Warner of Denver, who recently lost a job he had held for years, went to a Silvertown, Colo., mine dump, and contracted to haul ore for a percentage of the profits. In two weeks he made $840, and has refused an offer of $15,000 for the balance of his contract.

PASTOR SLAYOR GETS LIFE TERM

New Trial Is Refused To Preacher Convicted Of Killing Wife

MUSKOGEE, Okla., Nov. 4—While Rev. S. A. Berrie shouted his murder trial was "a frame-up from begining to end" Judge W. J. Crump on Thursday overruled his motion for a new trial and formally sentenced the 52 year old preacher to a life term in prison for the poisoning of his first wife.

When Judge Crump overruled the new trial motion and asked the unfrocked Cumberland Presbyterian pastor if he had anything to say, Berrie thundered:

"If ever an innocent man was railroaded to prison it was me, and God in His heaven knows it."

"Your statement comes with poor grace," replied Judge Crump. You had a chance to take the stand and deny these charges and so did your wife. You did not do so."

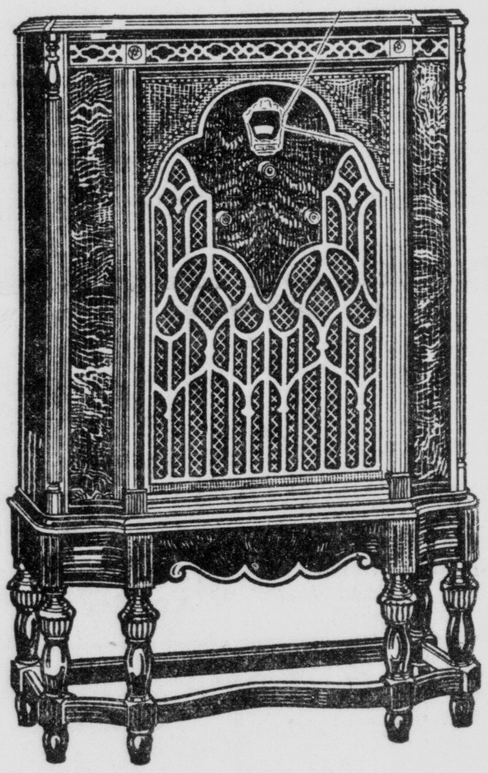

He then passed formal sentence, which was assessed by the jury which convicted Berrie.

Hoover Far Ahead In 'Who's Who' Poll

CHICAGO, Nov. 4.—The final tabulation in the Who's Who postcard poll conducted from the Republican National Committee headquarters in the Palmer House, shows the following vote for the three leading presidential candidates:

Herbert Hoover	10,411
Franklin D. Roosevelt	3,198
Norman Thomas	647
Scattered	62
Total	14,318

A total of 28,000 cards were mailed. Of this number 15,252 were returned. Of this total 934 were not counted because they were returned because of faulty addresses, or were not marked properly, or because the persons addressed were dead.

A number of political observers, commenting on the poll, say that this is the highest return of any political canvass made by mail. The heavy vote in the poll was a big surprise to those who conducted the canvass.

The final letter received in connection with the poll came from Dr. E. E. Violette, lecturer and writer, of Hollywood, California. He requested that his vote, which he had sent in for Governor Roosevelt, be changed.

"At the time I voted for Governor Roosevelt, I had not heard him speak," he said. "Since voting I have listened to him and I have also heard President Hoover in his Des Moines and Cleveland speeches. Having had the opportunity of weighing both men through their utterances, I want to say now that in my opinion it would be a calamity to elect Governor Roosevelt. Whatever influence I have I am going to use to help keep President Hoover in the White House."

Young Republicans Have Meeting And Support Hoover

Young Republicans of Lawrence county held another meeting last night at the City Council chambers and again voiced support at the polls next Tuesday for Herbert Hoover.

Chairman Joseph McFate, assisted by James A. Rugh, presided over the meeting. Attorney Frank Moretti, City Controller Phil Greer, W. F. Campbell, New Wilmington, and Alvah Shoemaker spoke very briefly. All of the speakers urged the Young Republicans to get out the voters next Tuesday and see that they cast their ballots.

There were about 150 present. Many new members of the committee were present, but there were not representatives from all of the precincts in the county. It is hoped that the Young Republican committee at its next meeting will be 360 strong.

Alex Baker, possessing intoxicating liquor, paroled for two years.

MAN LOSES EYE, ANOTHER FALLS INTO WELL WHILE HUNTING

OIL CITY, Pa., Nov. 4.—James Shaw, 53, lost the sight of his right eye in the first Venango county hunting accident of the season. Shaw, a patient in Oil City Hospital, was injured in the premature discharge of his gun. X-ray pictures taken at the hospital indicate it will be necessary to remove the optic.

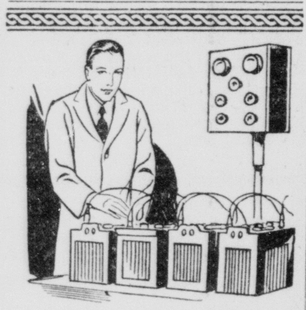

W. E. McLaughlin, had a narrow escape from drowning when he fell into an old well near McPhersons Corners.

Se stepped on the rotted flooring and dropped 20 feet. As he fell he caught an obstruction and saved himself from plunging to the bottom. The rocks lining the well held in place, and he was able to work his way out with difficulty.

Catarrhal Deafness Or Head Noises

If you have catarrh, catarrhal deafness or head noises caused by catarrh, you should know that these distressing symptoms may frequently be overcome by this simple home treatment.

Secure from Eckerd's of New Castle, Inc., or your druggist 1 oz. Parmint (Double Strength). Take this home and add 1-4 pint hot water and a little sugar. One tablespoonful four times a day should quickly and completely relieve distressing head noises and deafness due to catarrh, loss of smell and taste, and dropping mucous. If nearly ninety per cent. of all ear troubles are catarrhal, there must be many whose hearing Parmint could help.

CHARGED WHEN CHARGED
We do not enter a charge against you until we have completed an every-final-amp charge to your Battery. You get full value for your Battery charging fee from us. That your Battery has received a FULL replenishment of current will be evident the minute you hook it in and snap the switch.

New Castle-New Kensington Play Saturday

Schoolboy Conference Elevens Await Battle

Important Game Saturday At Taggart Field To Start At 2:30 P. M.

Coach Phil Bridenbaugh Has New Castle Ready For Toughest Foe On Program

Whether or not the New Castle High school football team goes on to further glory, or is discarded in the heap along with the also rans, will be determined here Saturday afternoon at Taggart Stadium when Coach Philip H. Bridenbaugh sends his fast charging "Red Hurricane" football team crashing against a stolid hard fighting New Kensington High grid team.

The kickoff is scheduled for 2:30 this year. It is one of the most important games of the Class AA Conference. Both teams need this victory to step further up the ladder. New Castle's spacious and beautiful football arena will be the center of all eyes of the Western Pennsylvania grid world. The outcome is a decided tossup.

Toughest Foe

New Castle High will be up against the toughest foe of the year. Washington was a good team, so was Charleroi, Altoona, and Ellwood City, but this gang of footballers due here tomorrow afternoon in the category of the game are "tough babies". They have a big powerful hard hitting line, and a flock of shifty backfield men. New Castle will counter with a team that looks about on a par with the visitors. A powerhouse line and a set of ball toters that have been tried and found to have the stuff. The biggest test of the year awaits this New Castle team. Coach Philip H. Bridenbaugh has that some worried look, and that is always bad for Phil's disposition. The New Castle head coach knows what his team is up against Saturday. He has seen this New Ken High team in action. He knows just what to expect.

Must Fight Hard

The red and black clad football men have the courage, the stuff and cleverness to go out and take that New Kensington High team into camp, but they must forget about those seven early victories. They must forget everything, but one thing. These boys are going to be hard to beat—hard to beat.

You look at the records of the two teams and say on paper New Castle looks like the best team. Granted, but what do they payoff on, the paper record, or the actual score of the game at hand. There you are. What New Castle has done this year doesn't enter into the matter. It's what they are going to do to that New Kensington front line, how they are going to thread their way into the visiting backfield and stop those big flashy backfield men Zaleski and Nelson that counts.

It's going to take all the New Castle linemen have to open holes in that New Kensington line. If Johnny Uram, Freddy Lane and "Whitey" Nickum are to snake away on long runs, who do you think will make those runs possible, right, the big New Castle line, and every man from Tomalello to Thomas knows just what is expected of him. Captain Mike DeCarbo has recovered from his injured eye and will be out there tomorrow afternoon roaming into the New Kensington backfield time and time again to nail the ballcarriers. The Shellogg boys will more than likely spend the biggest part of the afternoon behind the enemies lines.

Visitors Are Good

New Kensington will come here tomorrow to "shoot the works" against New Castle. Their Class AA record is slightly bent on account of that deadlock with McKeesport High, and they figure to use this New Castle team as a stepping stone to higher things, and this may happen, but don't forget that stones may turn and then somebody is liable to suffer hurt feelings. Coach Carl Glock has given the New Kensington High team a lot of new plays this week. They have perfected a forward passing attack.

Coach Bridenbaugh has the New Castle team out this afternoon for a signal drill. The "Red Hurricane" is all ready for another blistering attack on the enemy lines. The team with the exception of DeCarbo and Kominic came out of the Altoona game in good shape and they will be fit and ready tomorrow for the battle of their lives. In the signal drill it was evident that New Castle is going to feature a new attack. Many new plays have been added to the list and Signal Barker Tommy Rambo will memorize them tonight. You know this quarterbacking and blocking that Rambo does is not the easiest job on the team by a long shot and how that boy does block those big babies who try to smother the New Castle backfield men.

Biggest Game Of Year

Well folks, you have probably guessed by this time that New Castle and Kensington have a little football matter to settle tomorrow afternoon. It looks like the best of the year. In event of good weather Taggart Field will probably be jammed for the first time this year. They may need the S. R. O. sign tomorrow.

New Kensington will be just another "deserted village", as far as activity is concerned. Gardner sent them about 1,500 tickets and they quickly disposed of them. They are coming to New Castle to support their team. New Castle will turn out a big crowd, they always do. There will be lots of color and excitement to this game. Better plan to be there.

The gates will open at 1 o'clock.

Union-Shenango Teams In Battle

Annual Class B Encounter At Shenango Field This Afternoon

Coach Ed Raney of the Shenango township high school football tapered off his charges Friday afternoon with a final drill for the game this afternoon against Union township. Injuries have handicapped the team somewhat, and at least one of the regulars, Craig, will not start, and Raney refused to make any prognostications concerning the game. "It will be a tough one" was as far as he would go.

Shenango wants to defeat Union if it is in the wood at all. Their record thus far this season is a clean one, but the schedule has not been as tough as that of Union. The Boyd coach outfit has played New Castle, Youngstown East and Freedom and Grove City, teams were superior clubs. Union lost but the experience against such strong teams will stand them in good stead.

The game is for the Class B championship of Lawrence county, and by dinner time tonight the annual argument between Shenango township and Union will be settled for 1932.

Highland Horseshoe Club Wins Contest

Highland United Presbyterian Horseshoe Club took over the West Pittsburg Horseshoe Club last night in an exciting competition at the Highland U. P. church courts, showing real championship form. The Highland team is to all appearances as a result of the showing made last night, in line for the championship of the district and possibly of a much larger territory than included in Lawrence county.

Fifteen games were played and Highland U. P. team took every one of the fifteen contests. Highland U. P. team scored a total of 750 points and made 284 ringers. The West Pittsburg team scored 225 points and made but 144 ringers.

Burma is believed to be very rich in mineral resources, though little beyond a rough survey has been made.

Grovers Facing Tough Game With Geneva Saturday

Coach Amos Hopes To Have Grove City Team At Top Form For Covenantors

GROVE CITY, Nov. 4.—Trying to get the Grove City football squad in a physical and mental state to be at the peak of form for the important game here with Geneva Saturday, Coach Bill Amos is applying the pressure on the Grovers.

With the exception of Walter Baylor, the backs are in good condition. Amos is giving most of his attention to the line, which has been riddled by injuries. Tomko and Soich, ends, and Bache, center, were in uniform yesterday for the first time in a week, but were kept out of the strenuous work. It is expected that all will be able to start Saturday.

Face Hard Game

Facing the hardest game of the campaign, the Grovers are responding to the demands of Coach Amos with a fine spirit. The Crimson coach yesterday impressed upon the squad the task they must face in opposing their old rival. Geneva will be favored to win Saturday's engagement, having only one defeat to mar their record this year, a 7-0 decision won by Carnegie Tech. The Grovers are working hard in an effort to retrieve a poor season by a good showing against the Covenanters.

This game will be the first Geneva-Grove City contest staged here since 1924, when the game ended in a scoreless tie. For the past six years the Grovers have performed in Reeves Stadium, so it is expected that the record crowd of the campaign will fill College Field Saturday.

CYCLONES DEFEATED

Forest A. C. Midgets football team defeated the Reynolds Street Cyclones 6 to 0 in a game played Wednesday afternoon at the Paul Street Field. Syjanan made the only touchdown of the game on a line plunge. The Forest Midgets would like to book the Crawford Street Indies for the Paul Street Field. For games see Jacobson at 626 Forest street.

Pitt And Penn Game Headlines Saturday Card

Coach Harvey Harman May Spring Surprise On Conquerors Of Notre Dame

MICHIGAN FAVORED TO BEAT INDIANA

By COPELAND C. BURG
International News Service Sports Writer

NEW YORK, Nov. 4—Those glory studded doors of opportunity marked "push" and "pull" rose like towering Alps in front of the nation's gridiron elect from coast to coast today and ere Saturday evening's hearths glow red at least a couple of sectional winners and perhaps a national champion may be definitely in the making.

But one false step here, a bobble there, and such outstanding, undefeated teams as Pittsburgh in the East, Southern California in the far West, Michigan in the central section and Vanderbilt of the Southland, will find themselves after weeks of feverish drilling and heroic battle just one of the common run.

All of the Eastern big wigs risk honor and glory in tomorrow's big parade. These include Penn, Pittsburgh, Holy Cross, Brown, Colgate and Columbia.

Pitt Vs. Penn

Most important of the struggles in the area is the Pittsburgh-Penn entertainment over in Philadelphia, for a victory for the Red and Blue would place it at the top of the East since the Panthers have turned back the once-great Irish of Notre Dame, as well as Army.

Penn has trimmed Dartmouth and Navy, but who hasn't?

We look for Pitt to show a decidedly inferior game of the almost perfect display flashed against Notre Dame last week, but even so the ferocious Panthers of Jock Sutherland may be able to snatch it. Penn is strong and brave but Pitt, despite the blemish of a tie with a second-rate Ohio state eleven, today rates as the best Eastern team and a potential national champion.

Brown, winner over both Harvard and Yale, should triumph but only by the smallest of margins over Holy Cross at Providence; Columbia is liked over Navy at Annapolis, Army over Harvard at Cambridge and Villanova over Boston College at Boston.

Other probable winners in the East are Princeton over Lehigh, St. Mary's of California over Fordham, Georgia over New York University, Colgate over Mississippi and Dartmouth over New Hampshire. Cornell can't miss with Albright.

Michigan Favored

Out in the plains sector, Michigan, with the best record of all, should triumph over Indiana and further increase its hold on the big ten title. Other likely winers are Purdue over Chicago, Wisconsin over Illinois and Ohio state over Northwestern.

The first victory this season of a big six squad over a big ten eleven should come with Nebraska humbling Iowa, Notre Dame won't be troubled by Kansas.

Southern California, pointing again for the national pennant meets California at Los Angeles in the West coast's chief struggle and Stanford has Washington at Palo Alto.

Down South, Alabama should continue along victory's path with a win over V. P. I., and Vanderbilt is forecast for the same over Maryland. Penn state is picked over Sewanee, Syracuse over Oglethorpe, Utah over Colorada and Bucknell over Western Maryland.

Players Listed For Grid League

Five Football Teams Comprise City Grid League, Teams Are Strong

There are five teams in the City Football League, and the following player lists will be adhered to, it is reported by Alec Samuels, president of the league.

DeHarts—Tom Farrow, Roy Hambrick, Russ Huff, Willie Stribling, Bill Goodman, Homer Gray, Frank Boyd, Bill Donelli, Goldie Marks, Andy Matthews, Harold Wright, Rufus Roberts, Robert Allen, John Brown, James Cooper, Esco Owens, Norman Miller, Harold Morgan, Wilbur Love, Cliff Owens, Clinton Payne, Art Payne, Donald Williams, and Joe Morris.

Williams A. C.—Rowe, Babs, Mehalic, P. Adams, Neyman, Boazzo, Lewis, Brown, Parker, Jones, Nocera, Harris, G. Mike, J. Mike, Gibson Miron, Abraham, Myler, Alexander, Severa, Bonk, F. Adams, Coach, Keith VanFossan. Business Manager "Buck" Jones.

New Castle All-Stars—"Hib" Reynolds, Harold Workman, Kenny Donegan, Sweed Nelson, Louis Molls, Myrle Gibson, Jim Kennedy, Charles Clark, Roy Baldwin, Bill Thomas, Walt Baldwin, Bill Cavin, "Tub" Blackford, Ed. Flynn, Bernard Rowbottom, Sheen, Mike Quinn, Bud Todd, Paul Robinson, John Armstrong, Harold Ingram, Dave Leishman, Chuck Davis, Maher, Bill Gilboy.

Mooneys—Manager Fred Marcella, Coach Angelo Mooney; Ciccone, DeMuccio, H. Mooney, Y. Marcella, Deep, Bongivengo, Isabella, Richards, A. Mooney, Ostrosky, Fornataro, Turk, McIntosh, Nickie Uram, Sillman, Fenati, Sniezek, DiThomas, Ambrozia, G. Augustine.

The list of players of the Oakland Mud Divers was not available.

Louis Kolls, veteran baseball player of Rock Island, Ills., has been notified of his appointment as an umpire in the American League. He officiated for two seasons in the International loop. He began his umpiring career in the Mississippi Valley League in 1927 after previous experience as a player in the circuit. In 1927 he went to the western circuit and for the next three years umpired in the Pacific Coast League.

ELDER MIDGETS WIN

Elder Midgets football team defeated the Forest A. C. Midgets 6 to 0 at the Paul Street Field yesterday afternoon. It was the first setback for the Forest Midgets. Lytle scored the only touchdown on a line buck. The same two teams will play again next Tuesday at 4:30 o'clock.

Titans Change Lineup For Thiel Game; Hope To Win

(Special To The News)

NEW WILMINGTON, Pa., Nov. 4.—In an effort to get more drive in the offense, Coach John Lawther has made a number of shifts in the Westminster college lineup for the game with Thiel here Saturday. The Titan mentor will probably start Cromwell Ketterer, Rochester, at left halfback; Merrill Straw, East McKeesport, at guard; and James Bloker, Sandusky, O., at center, in place of Arrowsmith, Hollander and Franklin, regulars.

"Lu" Franklin, center, was injured in the Waynesburg game and has not been able to drill all week. Hollander was also injured in the Jacket game. Arrowsmith will probably not start at left half, but will alternate with Sweeney at quarterback. Walt Young, Freeport, N. Y., will probably alternate with Ketterer at left halfback.

The Titans have had three scrimbage sessions this week in preparation for the Lutheran contest. All the men but Siljander, Franklin, and Hollander are ready to play Saturday. Lawther believes the men will make a good showing, but believes that Thiel has one of the strongest teams in the section.

The Lutherans lateral and forward pass attack, and the sweeping end runs of the Greenville outfit will be hard to stop, but the Titans have been drilling against these plays all week and hope to make a better showing than they did last year.

Richard Watt, Struthers, O., freshman, and John Wilhelm, Kittanning sophomore, have both been showing good form in drills this week. Watt is rather small for backfield duty, but may get into the contest. Wilhelm is developing into a good blocker.

Since this is the last home game of the season for the Titans, a large crowd is expected to be on hand. Following the Thiel game, Westminster plays Muskingum at New Concord, O., on Nov. 12, and Geneva at Beaver Falls on Nov. 19.

The probable lineups:

Thiel		Westminster
Ruehl	L. E.	Leyshock
George	L. T.	Dishong
Gazetos	L. G.	Rose
Seiberling	C.	Bloker
Steltzer	R. G.	Straw
Hahne	R. T.	Rehfus
Lowther	R. E.	Hunneke
Snyder	Q. B.	Sweeney
Tomechko	L. H.	Ketterer
Schemick	R. H.	Scarbrough
McClure	F. B.	Staples

Officials—P. E. Fitting, referee; D. W. Merriman, umpire; J. M. Holmes, lineman. Game starts at 2:30.

City Grid League To Open Saturday With Two Battles

New Castle's City Football League will open with two fast games Saturday afternoon. President Alec Samuels, today announced the schedule of games. The league will close on December 3.

The two games tomorrow will find the Mooney and All-Stars battling at George Washington Field, and the Oakland Mud Divers and DeHarts tangling at Scotland Lane Field. The games will start at 2:30 o'clock. There are five teams in the league.

The following schedule was adopted at the meeting held last night:

November 12.

Oakland vs All-Stars at George Washington.

DeHarts vs Williams at Fall Track.

November 19.

DeHarts vs All-Stars at Washington.

Williams vs Mooneys at Fall Track.

November 26.

Williams vs Oakland at Fall Track.

DeHarts vs Mooneys at Lee Avenue.

December 3.

Oaklands vs Mooneys at Lee Avenue.

Williams vs All-Stars at Fall Track.

Surprises come often in the fight game but few fans would have expected Buck McTiernan to maltreat Bucky Lawless viciously at Erie last night. McTiernan had Lawless in a bad way in the fourth and floored the Syracuse battler in the seventh. He got the decision over the boy who fought Billy Rose here. Matty Mathison beat Pedro Lorenzo, in a six round scrap.

Petrolle Gets Chance Tonight

For Seven Years Billy Petrolle Has Waited For Chance At Title

By DAVIS J. WALSH
International News Service Sports Writer

NEW YORK, Nov. 4.—For seven years he has bided his time and taken his luck as he found it, patiently and with resignation, with courage and hope and sometimes black despair, but that's all over now. It is journey's end, the bitter years are just as though they never had been. Billy Petrolle, the old man in the hoss blanket, tonight is to fight for a championship at last, with as much as $90,000 in the house, the lightweight title in the balance and quite a man, Tony Canzoneri, in the other corner.

Fifteen Rounds.

They'll do fifteen rounds or less with the Garden practically sold out from ringside to rafter. It is one of those fights that can't go wrong. The greatest lightweight meeting since Leonard and Tendler. It promises the sparkle and glow of good champagne. It's fool-proof from every angle. Even it's drama seems ordained and so it has the town by the throat and it wouldn't be altogether out of reason, even at $11, if the place ran close to its 19,000 capacity.

And while Canzoneri is the champion, the story is Petrolle.

WILLIAMS TO PRACTICE

Coach Keith Van Fossan of the Williams football team requests all players to report at the Clifton Flats Field at 11 o'clock Saturday morning for an important practice session. The Williams have a game with the Youngstown team for next week.

HERE AND THERE IN SPORTS' LAND

Return of Rogers Hornsby to the lineup of the St. Louis Cardinals is being cheered by National league men as he has been one of the most romantic of the senior loop's characters. He has some weaknesses, according to Charles Segar in The Mirror, who points out betting on a horse race with your own money certainly isn't any sin as long as you are not robbing your employer, nor depriving your family of their bread and butter, and Hornsby never has been accused of either of them.

He points out that the National league men are willing to forget some things to add color to the loop that fast was losing some of its colorful characters, and should The Rajah come back it would be a great break for the Cardinals and help to those National league clubs which have had quite a time keeping the wolf from their home plate. If he comes back he will prove a great drawing card. Segar writes that it isn't likely Hornsby will undermine Gabby Street. The opinion is he has learned his lesson. Broke, without a job, he finds himself getting a break which he doubted would come at his age.

Jack Dempsey is the greatest ace the boxing promoters have had. Gene Tunney was next in drawing power and Jack Sharkey third. Dempsey is reported to have drawn more than $9,000,000 during his picturesque career, Tunney $6,000,000 and Jack Sharkey $4,500,000. Dempsey's five biggest gates totalled $8,615,764, and resulted from his bouts with Tunney, Carpentier, Firpo and Sharkey. Tunney, however, holds the record for a single night's earning, according to Murry Lewin. He received $990,445.54 for his second scrap with Dempsey at Chicago . In his scrap with Dempsey in New York, Sharkey's cut in on a house that grossed $1,083,030.

It may come to pass that Sharkey may add plenty more to his gross gates as he is the world's heavyweight champion of boxers. Schmeling and he have fought twice. Jack lost the first on a foul and won the second on a decision. They are sure to meet a third time. Owing to the fact that there was considerable difference of opinion over the winner of the second scrap a big house will result the third time they crawl through the ropes. It has the international flavor and anytime that enters into a scrap and times are prosperous a big gate is sure to result.

Many of the readers who followed the aquatic events in the Olympics at Los Angeles recall the performances of Japanese. The Sydney (Australia) Referee carried a story by 'Trudgeon' who says that it has been consistently rumored that the Japanese swimmers were hopped up with oxygen prior to their events. "While several members of the team state that while it was common gossip at Los Angeles, not any of them could vouch for the truth of the rumor," he types. The fact that the Japanese increased their speed as the 1500-meter race progressed suggests to experts that there may be some truth in the dope rumor.

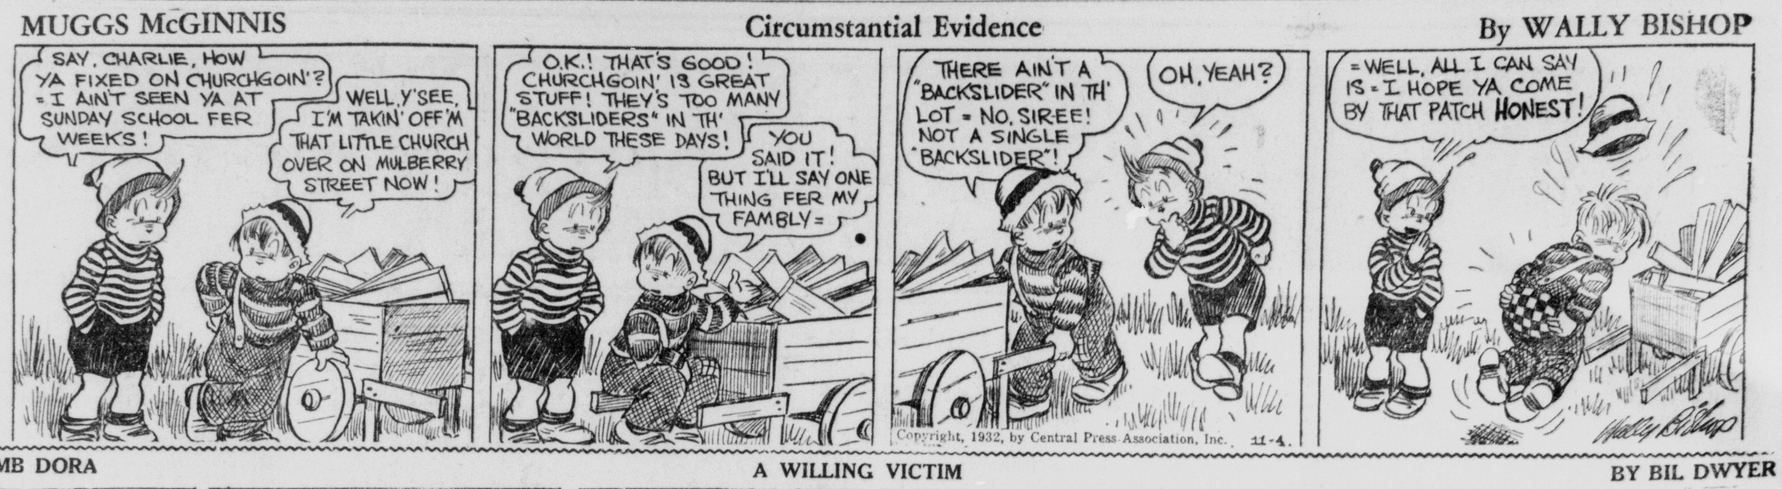

The story goes on to say, however, that the administering of oxygen to swimmers could not be regarded as doping. "For more than 30 years footballers and pug lists in Australia have been given oxygen to revitalize them at half-time and between rounds," the writer declares, which causes Jim Jennings, a Mirror writer, to say that someone must have put cocaine in 'Trudgeon's' crumpets or doped his marmalade. He does not like the story and in effect says:

The insinuations are ridiculous and evidence of poor sportsmanship. Jennings claims to have discussed the subject with American officials as well as male and female members of the U. S. swimming team and all waxed indignant. He writes that Jap female swimmers did not win an event and competed in all the contests. He says that had the men been loaded with oxygen there would have been no scruples against doping the girls, but against Helene Madison and her U. S. teammates they were outclassed. Japanese swimmers won solely on their superiority and merits, bore their honors modestly and were without peers as good sportsmen.

America always will have football without a great change from the game as played today. Alonzo Stagg, 70 year old mentor at Chicago said recently. He says the game is here to stay. "A lot of people enjoy football but don't understand its real purpose. Youth is restless and demands what is commonly known as rough house. They like to fight or tussle playfully, and football gives them a chance to do it. That's why football is popular and why so many play it from the smallest sandlot to the largest university."

Tony Canzoneri is picked to retain his title tonight when Billy Petrolle, the Fargo Express contests for the lightweight title at New York. . . . W. R. Summers, International league arbiter, has been named an American League umpire. . . . Jess Harper, director of Notre Dame athletics has announced that Hunk Anderson will continue as coach of football next season. . . . Brown meets undefeated Holy Cross tomorrow and fans will await eagerly the result as Tuss McLaughry coaches Brown.

GREASE STAINS

Automobile grease stains, common at this season of the year, will usually come out when laundered if first treated with carbon tetrachloride, or sponged with a cleaning fluid. A soft, absorbent cloth should be placed under the stain and a clean cloth used for applying the fluid. Both of these should be changed frequently to prevent further spotting or spreading the spot. Lard is, of course, an old favorite treatment of grease stains on cotton fabrics. First rub with lard, then use a cleaning fluid.

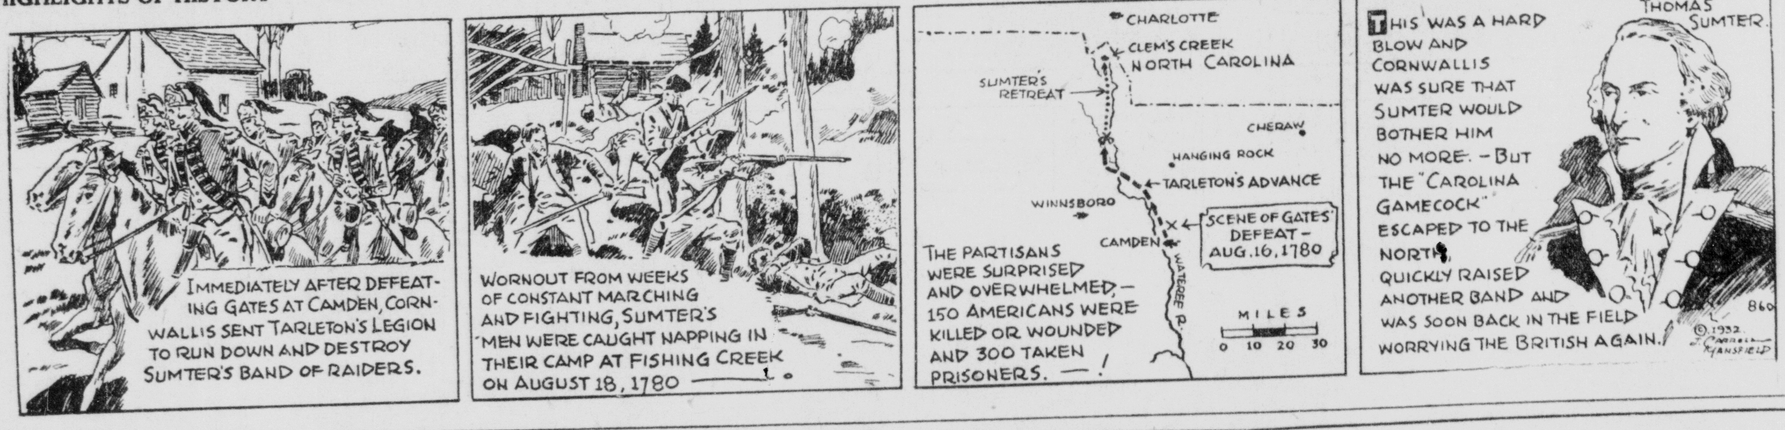

EGG STAINS

Egg stains are best removed by sponging with cold or lukewarm water. This applies both to washable and non-washable fabrics.

Vigorous Rally In Stock Market

Stocks Advance On Broad Front In Day's Trading

BUSINESS GAINS ARE STIMULATING

(International News Service)

NEW YORK, Nov. 4.—The stock market today ended five successive days of decline with a vigorous rally.

Stocks advanced 1 to 3 points on a broad front with such issues as U. S. Steel common and preferred, American Telephone and Consolidated Gas leading the way.

Bonds strengthened despite scattered weakness in railroad obligations and curb and bank stocks were strong. Wheat and cotton joined the upswing, the latter rising 50 cents a bale.

Wall Street's overnight conversion to the bull side was apparent at the opening when prices were up from a fraction to nearly 2 points. Gains were extended in the first hour on moderately active trading and profit-taking brought only temporary recessions.

Sentiment was likewise stimulated by the week-end trade reviews which declared that the recent business gains were being consolidated and were forming the base for a permanent upswing.

Issues which had been the most depressed in the week's decline showed the most vigorous comeback. This was reflected in the sharp rally in U. S. Steel preferred, Telephone and Case Threshing, among others.

Railroad stocks indicated they had discounted the decline in car loadings by snapping back 1 to 2 points, led by Union Pacific, Atchison, N. Y. Central and Lackawanna.

As Jobless Marched on London

Here is the vanguard of one of England's many contingents of "hunger marchers" that recently invaded London to demand government relief. They are shown at Thatcham as they plodded towards the capital, where serious rioting subsequently ensued when they attempted to storm Buckingham Palace. Many of the marchers were injured, as were a number of the London "Bobbies" who eventually routed them.

Il Duce's "Hurry Up" Squad

Members of Rome's new motorcycle police squad are shown lined up for inspection. The squad was organized particularly to handle anti-Fascist demonstrations and each machine is equipped with a very workmanlike machine gun. The men were selected for their riding ability and marksmanship.

Seen Everywhere

The black and white costume is seen everywhere this fall. It's always smart, however, and this unusually smart ensemble worn by Alice Jans, is made of heavy dull finished crepe with push-up sleeves of the blouse revealed by the short jacket sleeves. The bow from the draped neckline does double duty on the collarless neck of the jacket. The hat is stitched black velvet.

Girl Succumbs To Long Illness Here

ELLWOOD CITY, Nov. 4—Anne Irene Scrima, aged 14, passed away Thursday morning at her home on Crescent avenue following an illness of several years. The deceased was well known among the younger set and is survived by her parents, Mr. and Mrs. George Scrima.

Funeral services will be held on Saturday morning at 10 o'clock from the late residence with the Rev. R. H. Little, pastor in charge.

ELECT E. B. MOYER AS TAX COLLECTOR

Council Secretary Is Elected By Big Majority Over His Protest

T. A. E. McConahy Unable To Acquire Bond; Suggests Council Act As See Fit

ELLWOOD CITY, Nov. 4—E. B. Moyer, borough secretary and clerk for the past several years, is Ellwood City's new tax collector by action of the borough council at their special meeting in the city hall last evening.

Council's action was sudden. At a special meeting last week a resolution declaring the tax collector's office vacant was voted down. Last night this resolution was again presented and passed as was one stating that a tax collector should be elected by council at this meeting. Both resolutions were presented by Councilman P. R. Fike.

The presentation and adoption of them was prompted by the fact that Tax Collector T. A. E. McConahy sent word through his attorney, John P. Lockhart of New Castle, that he was unable to obtain bond and suggested that council go ahead and act as they saw fit.

Councilman Clyde B. Houk brought out the point that council has gone along with Mr. McConahy to every possible extent and had taken the initiative to aid him in obtaining his bond to qualify him as tax collector for the year of 1932. They have had many time postponements for the benefit of Mr. Conahy. "I have always been in sympathy with Mr. McConahy, but who have now reached a point where a further extension of time is impossible and impractical and would be injurious to the community, therefore I recommend the adoption of the resolution."

Mr. Clyde's remarks seemed to be the concensus of opinion by all present and the resolutions were passed by a 7 to 1 vote, Councilman Thos. D Rocco voting against. This action therefore made it in order for the nomination of a tax collector.

Councilman Alex Mains nominated Harry Hancher and Councilman Fike, E. B. Moyer, present borough secretary. Before the casting of the ballots Secretary Moyer gave his opinion and standing towards the nomination. He pointed out that his present work in the capacity of borough secretary and clerk required much time and energy and if he was elected to the tax colector's position his duties would be more than doubled which would make a tedious burden on him. He asked council whether it was good business to combine the offices of secretary and tax collector. "The responsibilities which both offices would bear would be more than I would dare to assume. This would present a tremendous burden and obligation upon the shoulders of one man," stated Mr. Moyer. He further brought out that all over the nation, as well as in this city, efforts to create more jobs were being made. He was not justified, considering the circumstances, to hold down two jobs. He sincerely urged that council not to elect him. Mr. Moyer also pointed out that in case of his election he was in no position to refuse.

Following this speech council endeavored to dispel some of Mr. Moyer's fears. They stated that they would obtain help for him in this new work. A deputy would be under him. All present were of the opinion that all taxes should be collected through the borough offices. They were pleased with the work Mr. Moyer has done as borough secretary and clerk and were of the opinion that both offices could be combined at a decided saving.

When the ballots were cast Mr. Moyer was elected by a 7 to 1 vote to fill the unexpired term of T. A. E. McConahy. Mr. Moyer thanked council for their confidence in him but stated he was not very anxious to take over the position.

All other arrangements in connection with this office, including bond will be discussed at council's regular meeting next Thursday.

Mission Society Meets At Church

ELLWOOD CITY, Nov. 4.—The Women's Missionary Society of the U. P. church held its regular meeting last night in its own rooms with a good attendance being present. The devotions were in charge of Mrs. Jones. Mrs. L. C. Barnhart had the study period. Interesting discussions were given by Mrs. Jennie Sarver, Margaret Burton, and Mrs. J. E. VanGorder. A fine social time with the serving of a luncheon by the hostess assisted by Miss Olive Hesselgusser, followed.

At their customary business session in charge of Mrs. Thos. Patterson, the president, delegates for the general convention at Pittsburgh sometime next June, were selected.

WORKERS CONFERENCE

ELLWOOD CITY, Nov. 4. — A fair turnout was present at the Sunday School Workers Conference in the First Baptist church last night. Reports were heard and plans for a Christmas program were made.

Unless you bear with the faults of a friend you betray your own.—Syrus.

Hilarious Comedy Delights Audience

Home Talent Players Give Notable Presentation At Lincoln Auditorium

ELLWOOD CITY, Nov. 4—Those being able to attend the play "Kleptomania" at the Lincoln auditorium Thursday, considered it an evening well spent. The concensus of opinion that that it was one of the finest amateur productions given here. Harold Burns who coached the play and was one of its principal characters, received the praise and thanks of the public for his efforts.

The play begins to unfold early a series of difficulties as experienced by the husband of the kleptomaniac in his desperate efforts to keep the knowledge of her weakness from his wife. This complication brings about many amusing incidents. Most of the cast was composed of familiar persons who have scored in several amateur productions here. The principal parts were played by Mrs. J. N. Welling, Miss Kathryn Murphy, Miss Esther James, W. F. Kegel, Paul Winter and Harold Burns The supporting cast included Miss Pauline Jackson, J. H. Brown, Preston Snyder, John Streeter, Miss Dorothy Lundgren, Mrs. H. H. Reynolds and Mrs. Robert Johnson.

Franklin Township Schools To Observe Education Week

ELLWOOD CITY, Nov. 4.—Eager preparations are going on in the Franklin township schools today in preparation for the national observance of "Education Week" in this district. All the schools and civic organizations in the district will give a special program one day out of next week.

A four day observance is being planned for the Franklin township schools. It was announced this morning. This program will be carried out on Monday, Tuesday Wednesday, and Thursday. The special subjects for each day are "The Homes of the Pioneers"; "The Schools of the Pioneers"; "Two Centuries of Progress in the New World", and "The American Schools of Equality and of Opportunity."

Friday being Armistice Day is a holiday for the district schools.

Rotary For Hoover Straw Vote Shows

ELLWOOD CITY, Nov. 4.—At a meeting of the Ellwood City Rotary Club at the First Presbyterian church last night the members expressed their desire as having Herbert Hoover for President of the United States, their straw votes showed.

Of the 23 members present 21 voted for Hoover. Roosevelt and Thomas his Democratic and Socialist opponent respectively each received one. The speaker of the evening was Borough Manager L. W. Monroe who told of the recent city managers convention in Ohio.

W. M. S. AT KIRK HOME

ELLWOOD CITY, Nov. 4.—Mrs. R. H. Kirk was a pleasing hostess to the members of the Women's Missionary society of the Wurtemburg United Presbyterian church when they gathered at her home at Wurtemburg last evening for the November meeting. Ten members were in attendance. Miss Anne Glasser was a special guest.

Mrs. G. W. Gibbons was leader for the occasion and the topic for discussion was The Rainbow Empire. Interesting discussion were led by Mrs. J. H. Newton, Mrs. C. G. Ketler and Mrs. W. L. Timblim.

At the business session final preparations were made for the annual Thank-Offering Sabbath to be held November 13. A barrel of fruit will be sent to the Columbia Hospital at Wilkinsburg and a barrel of clothes to the Kentucky mission.

An informal social period was concluded by the serving of a tempting luncheon by the hostess after which adjournment was taken to meet again the first Thursday of December at the home of Mrs. James Badger with Mrs. Ketler as leader.

CARD PARTY ENJOYED

ELLWOOD CITY, Nov. 4.—A fine card party was held by the B'nai B'rith Lodge of this city in the Schweiger Hall last night. Twelve tables were in play. Mrs. Max Groden and Dr. Simon Skole were found to be the winners of the prizes at the close of the games. There will be a regular lodge meeting on next Tuesday.

PYTHIAN SISTERS

ELLWOOD CITY, Nov. 4.—Pythian Sisters of Alma Temple held their regular meeting last night in the K. of P. Hall on Fourth street with a fine attendance present. At the business session it was announced that the annual roll call will be held at the next meeting, Nov. 17. A luncheon will be served by the executive committee, of which Mrs. Elizabeth Welsh is chairlady.

Christian Endeavor Holds Rally Here

Bell Memorial Church Is Scene Of Big Gathering Last Evening

ELLWOOD CITY, Nov. 4—One of the finest gatherings of the years was held here last evening when the Christian Endeavor organizations in the district met for the pastor's conference in the Bell Memorial church on Line Avenue, this city.

Besides representatives from this district there were visitors from Mercer county, Chester county, Erie and Butler county.

One of the features of the evening was a banquet held in the dining room of the church. Covers for over 250 were laid. An interesting program was carried out at this time with Miss Theodore Pollock as toastmistress.

At the close of the banquet a conference for the pastors, leaders, and all others present, was held. The principal speaker was Warren G. Hoopes, state secretary of the Christian Endeavors. The devotions during this period were in charge of Miss Alice Grimes; the music by Howard Gilmore. Miss Geraldine Fry, corresponding secretary called the big roll. This part of the program was presided over by Gil Brown, vice president. The speaker of the evening was presented by Harry Wilson.

Mr. Hoopes told of the work being done by the combined organizations and revealed some plans for the year.

FUNERAL SERVICES

ELLWOOD CITY, Nov. 4.—Funeral rites for the oldest nonagenarian in this section, James Main, whose death occurred at the local hospital Tuesday morning following a prolonged illness caused by an injury received some weeks ago, were held yesterday afternoon at 2:30 from the local Free Methodist church and were preceded by short services at the home of Mr. and Mrs. Clarence Fox of Line avenue. Rev. D. N. Thomas, pastor of the church, officiated at the services.

Mr. Main was one of the most favorably known and highly respected residents of this vicinity and the wide circle of sorrowing relatives and friends who attended the rites testified to the esteem and affection of which he was held. Two beautiful hymns, "One By One" and "Sometime We'll Understand", were sung by Esther Quinn, Gladys Weigle and Rev. Thomas.

Interment was made in Locust Grove cemetery with Miles Crans, Russel Main, Clarence Fox, Carl Gallaher, Joseph Girard and Ralph Yohe as pallbearers.

HOME-COMING SUNDAY

ELLWOOD CITY, Nov. 4.— An outstanding event to the members of the Wurtemburg M. E. church will be the "home-coming" service, which they plan to hold Sunday, November 6. Invitations have been extended to former members, friends and pastors of the congregation. During the services former ministers will given an account of their pastorate at this church. Both morning and evening services are planned and there will be special vocal and instrumental music at both gatherings. A roll call of the present membership will be held in the morning. Rev. A. M. Doak, the present pastor, will give the main address of the morning and he has chosen for his topic, "Why is the Church Worthwhile?"

GUILD MEETING

ELLWOOD CITY, Nov. 4.—The Ladies of the Community met yesterday with the members of the Guild of the Knox Presbyterian church and spent the day in sewing for the needy of the community. Thirty were in attendance and under the capable direction of Mrs. Frank Kliendenst, who is general chairlady, a large amount of work was completed including dresses, shirts and underslips. The regular business session of the Guild was held at 2 o'clock with Mrs. Abriam Davies presiding and final plans were made for the Washington bicentennial observance to be held Saturday afternoon at 2 o'clock at the church.

TREE PLANTING AT KNOX

ELLWOOD CITY, Nov. 4.— In commemoration of the Washington Bi-centennial anniversary, the members of the Adult Bible class of the Knox Presbyterian church will plant trees on the church ground Saturday afternoon at 2 o'clock. A special program in charge of Mrs. Joseph Ford and Mrs. Carl Mathews has been prepared and it will include, recitations, dialogues, musical numbers, etc., by members of the Sunday school. Reuben Nagel of New Galilee will be the special guest speaker and remarks will be made by the pastor, Rev. R. E. Bell.

GROUP NO. 2

ELLWOOD CITY, Nov. 4.—Group No. 2 of the Missionary Society of the First Baptist church held its regular meeting last night at the home of Mrs. Richard Nye on Franklin avenue. Following their business meeting a fine social time was held which came to a close with the serving of a luncheon by the hostess assisted by Mrs. McCrumb. The next meeting will be held on Dec. 8 at the parsonage. Mrs. H. A. Anderson is captain of the group.

GIRL SCOUT COUNCIL

ELLWOOD CITY, Nov. 4.—The Girl Scout Council held its regular meeting last night in the First Presbyterian church at which they transacted their monthly business. Methods of putting a stop to thieves breaking into the Girl Scout Cabin at Wurtemburg were discussed by the members at this time. They decided to offer a reward for the apprehension and arrest of any person damaging this property.

Ellwood Set For Important Game Here Saturday

New Brighton High To Be Attraction At Lincoln Field Saturday Afternoon

LOCALS HOPES HIGH FOR POSSIBLE UPSET

ELLWOOD CITY, Nov. 3.—Followers of Ellwood City High are all set for one of the most interesting and hardest fought games to be seen here this year when the blue and white will be hosts to Coach Roark and his New Brighton High gridders on Saturday afternoon at 2:30, at Lincoln Field.

The locals have been priming for this game all week in order to make a successful stand to upset the highly touted Crimson eleven. There is no doubt whatsoever that New Brighton High is represented by a cracker-jack eleven this year. Having practically a veteran team with a strong and heavy line and speedy backfield the Roarkmen practically annihilated their opponents in early contests. To date they have been defeated twice. The first defeat being administered them by the strong Ambridge eleven by a hair, 7-6. The next one was a sensational upset as Rochester triumphed 13-7 in a last quarter passing attack.

Ellwood May Surprise

New Brighton is not taking their coming game any too lightly. On the contrary they are working harder than ever. Ellwood flashed a warning to the valley teams when they soundly trounced Monaca last week. Incidentally this was the worst defeat given Monaca this season. Ellwood's showing seems to be a repetition of last year. Starting slowly and weakly, they rose to sensational heights with four successive victories to finally upset Ambridge by a 13-12 score in the final game. A victory over New Brighton would be the only spark needed by the Benedict men to continue to upset the remaining two schools on their schedule, namely Rochester and Ambridge.

New Stars Uncovered

Last year the blue and white team was defeated by one touchdown by the Crimson team after a hard battle. Monaca last Saturday seemed to be the turning point in the spirit of the team. Much fight and fire was taken from them by three close successive defeats and later another one at the hands of the mighty "Red Hurricane" of New Castle. Following he latter game Coaches Benedict and Ferrare began experimenting which turned out highly satisfactory. He switched Mike Paal, star left guard to left half-back where he is a triple threat man. Paal has been doing the punting for the local team and since the switch he has become more useful. He is an expert passer and capable ball carrier which he revealed against Monaca last week. Another man that is expected to see much action is Persons, newly discovered fullback who tore the Monaca line to shreds with his plunges. Following the Monaca game Persons was promoted from the third to the second team. Thus the reserves lose another valuable player.

Special attention has been given to New Brigthon plays this week by the coaches. The varsity scrimmaged twice with the third team using New Brighton's plays.

New Brighton Strong

This game is a natural. For years the two schools have been meeting on the basketball courts and cinder track, as well as on the gridiron. The blue and white will have to keep sharp eyes on Walker, Webster and Capo, the visitors' backfield speed merchants. All they want is a nice little hole off tackle or around end and they're off. Coach Benedict has placed much stress on these two pet plays of New Brihton's. In Captain Johnny Gillen and Mujwit the Crimson has two of the outstanding linemen in Beaver County.

Victory will be won by either team by a low score dopesters predict. The Ellwood forward wall is more drilled and more capable than ever before. With the sensational Demas at Paal's vacated left guard berth the center of the line has been strengthened, Tom Barnes is handling Captain Welsh's right end position in a satisfactory manner. These two ends are dead sure pass receivers which the locals hope to use to advantage.

ELLWOOD PERSONALS

ROAMING

With Richards

Some News, Some Views, But Mostly Just Observations Of Interesting Things Around New Castle.

There must be something in the kind of shells you use that brings rabbits. The color perhaps. Or the flavor. Certainly not the district in which you hunt for a number of local nimrods have gotten the bag limit without going far beyond the limits of the city, while others bring back their gun and dog and nothing else, after a trip to some adjoing county.

With all the ring necks turned loose during the spring and summer, some of the boys thought they would be as easy to shoot as penguins. Or a flock of Wyandotte hens. On the contrary the pheasants seem to be hiding and the number brought in thus far is mighty small.

One hunter has reported bringing a grouse. Jess Dufford of the east side, who features grouse every hunting season, brought in a plump one this week but this is the only one reported.

Another hunter, Earl Lutz, will shoot only certain kinds of birds. Quail are on the exemption list with him. Here's his reason: "You have to get a half dozen quail before you have anything. One or two of them don't make a good lunch. They are the farmers' friend and are worth so much more alive than dead, that I won't shoot them."

Which isn't bad philosophy after all. There was a time when the woods of Lawrence county were full of quail and a morning's hunt would bring in a dozen or so with ease. Now two or three after an all day hunt is unusual. And they are a big help to the farmer, ridding a lot of pests for him.

But with all the hunting done in Pennsylvania, rabbits, birds, deer or bear, the games hunting is for grouse or what do you think. With their protective coloring they can hide at 20 feet and if you do flush them, they rise like a rocket, with the exception that they dart off in eery, zig zag lines. And if you can bring one of them down on the wing you're a hunter.

One of the new roads which has just been completed is one that will help the people between East New Castle and Five Points, or do you know where Five Points is located. The road leads from the Savannah district over to East New Castle and the topping of it was completed yesterday.

Which means easy travel between the two points this winter, a good road for school busses and no excuse for staying home from school.

Last year the conference was held in Oil City and six delegates from New Castle attended.

DANDRUFF
Soon Destroys the Hair

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get plain ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and two or three more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. (It won't cost you more than thirty-five cents, no matter how much dandruff you have. This simple remedy never fails.
